Chain free, this two bedroom second floor retirement apartment has been modernised and improved, with a smart new shower room and kitchen with very high spec appliances. The property has its own garage and all local amenities are within a few minutes walk or a short drive away.

It sits within the popular Riverside Court development and features plenty of built in storage. The lounge/dining room feels light and bright and looks out towards the station, which has direct routes to London and Gatwick, making this a great "lock up and leave" type home, perfect for jetting off on holiday. Tucked away at the end of the corridor on the corner of the building, there are no immediate neighbours to any side.

The sociable residents lounge on the first floor has a kitchen area plus a balcony overlooking the River Arun with far reaching views of the South Downs. The large ground floor laundry room is really useful, as is the guest suite which may be rented when friends or family wish to stay overnight. The House Manager helps to maintain a warm and friendly, welcoming environment and there is a lift to all floors, for easy access. The beautiful south facing communal garden offers space to sit and chat with new friends. If buying as a single person, you must be aged 60 or over. As a couple, one of you must be over 60 but the other could be as young as 55.
