Sam says:

"This home is situated in the older part of the village and is a fantastic choice for a family, it is within walking distance of the local primary school and amenities. The downstairs space flows perfectly for family life, there is a separate lounge with a lovely multi-fuel burner and a large bay window allowing in lots of natural light. The kitchen, dining living space to the back really is the heart of the home with a great sized kitchen area, plenty of space for a dining table which then flows through to the extension part of the home which is a great sized sitting room with bi-fold doors out onto the garden. There is also a utility room and a downstairs WC. Upstairs there are four double bedrooms, en-suite and family bathroom. The garden is a great space and is south facing which is perfect for those sunny days! There is also plenty of driveway parking and a single garage."
