The property enjoys a delightful private position with stunning garden and detached office / sunroom. Importantly the property has the benefit of private driveway parking as well as dedicated garaging and useful further outbuildings

Property Description

Elanza is an impressive new build 4 bedroom house situated in the heart of this quiet and exclusive development. The property enjoys a delightful private position with stunning garden and detached office / sunroom. Importantly the property has the benefit of private driveway parking as well as dedicated garaging and useful further outbuildings

The accommodation provides free-flowing and flexible living all of which enjoys lovely natural light. Flooring finishes are complete with an attractive mixture of hard wearing and stylish LVT and carpet. Elanza also has the benefit of fitted blinds.

The ground floor has two main points of access with the front door leading to an attractive entrance hall with guest cloak room and cloaks cupboard. A side door provides good day to day access, leading from the driveway to the utility room and through to the entrance hallway.

The large kitchen and dining room enjoys southerly views and French doors to the garden and terrace. The kitchen itself has key features such as induction hob, downdraft extractor, integrated dishwasher, "Quooker" hot tap and the rarity of a walk in larder. An impressive sitting room runs adjacent to the kitchen and spans the full depth of the house, enjoying a dual aspect.

At first floor level there are four well-presented bedrooms, including a substantial main bedroom spanning the full depth of the house with stylish en suite shower room. The guest bedroom enjoys a quiet northerly aspect and there are two further bedrooms and beautifully appointed family bathroom.

One of the highlights of Elanza is the beautifully finished south facing garden with expansive lawn area and extremely useful detached office building / sunroom. There is also a wealth of further outdoor storage.

To the side of the property is a brick paved driveway providing ample off-road parking.

The developer has gone to great lengths to provide level, beautifully landscaped rear gardens in order to take maximum advantage of the privacy.

This includes the clever blend of natural materials, and the sympathetic retention of some mature trees and shrubs.

The seaside town of Dawlish is renowned for its sandy beaches and picturesque lawns making it popular with both tourists and locals alike. The renowned Brook, Dawlish Water, famous for its black swans, runs through the heart of the town.

Flanked on one side by The Lawn with a Victorian band stand, the town retains its quintessential charm of a bygone era. The Strand, the hub of the town, has been redesigned and landscaped in recent years to create a bustling, market-town atmosphere. The town offers a wide range of facilities and amenities including well regarded schools, health centre, leisure centre, library, bowling greens, churches of various denominations, restaurants, pubs, a diverse range of shops and cafes, and a Sainsbury's supermarket on the edge of town.

According to the Köppen climate classification, Dawlish has a mild oceanic climate, bordering on a warm to cool Mediterranean climate and is one of the sunniest places in the UK!

There are excellent transport links on hand including a mainline railway station (London Paddington) and several regular bus services.

The Cathedral city of Exeter is some 14 miles distance and can be accessed by both the A379 coast road and A380 dual-carriageway leading to the A38 Devon Expressway and M5 motorway.
