LOCATION

4 Explorer Road is situated in the city of Dundee which is located on the east coast of Scotland. Dundee is Scotland's 4th largest city with a population of some 150,000. It occupies a strategic location almost equidistant between Edinburgh to the south (60 miles) and Aberdeen to the north (65 miles), benefiting from excellent road and rail connections. The M90 motorway/A85 affords a direct link to Edinburgh and the south, while the M9 motorway/A9 from Perth allows access to the west and north of Scotland and the central belt. Dundee has excellent train services with regular direct services to Edinburgh, Glasgow, Aberdeen, and the rest of the UK. The City also benefits from an Airport with regular flights to London and Belfast.

DESCRIPTION

4 Explorer Road commands a high profile position overlooking the A90 / Kingsway Ring Road at the Western Gateway to the City of Dundee.

The site sits on the northern fringes of the Dundee Tech Park.

Three of Dundee's principle industrial estates, Wester Gourdie, Dryburgh and Dunsinane, are all within 5 minutes drive from the property.

The new settlement of Dykes of Gray is situated on the opposite side of the Kingsway while the residential suburbs of Menzieshill and Lochee are East of the site.

The site currently contains Sidlaw House, a large two-storey office building with associated car parking.

There are 450 car parking spaces – a ratio of 1:136 psf.

£1 BILLION TRANSFORMATION

Dundee is currently undergoing a £1 billion transformation of its waterfront which comprises circa 240 hectares of development land, new state of the art train station and the newly opened V&A Museum of Design. V&A Dundee is an international centre for design in Scotland and the first ever design museum to be built in the UK, outside London. The waterfront development along with Dundee and Abertay Universities, The Welcome Trust and the recently announced Eden Project Dundee are all combining to change the commercial landscape of the city.

SITUATION

4 Explorer Road is situated on Dundee Technology Park, which is 3 miles to the west of the city centre. The park is well situated at the Western Gateway to the City, close to the A90 and benefitting from Dundee's unique strategic position at the heart of the road network connecting the city to Aberdeen, Edinburgh and Glasgow. The A90 connects to Perth some 20 miles to the southwest.

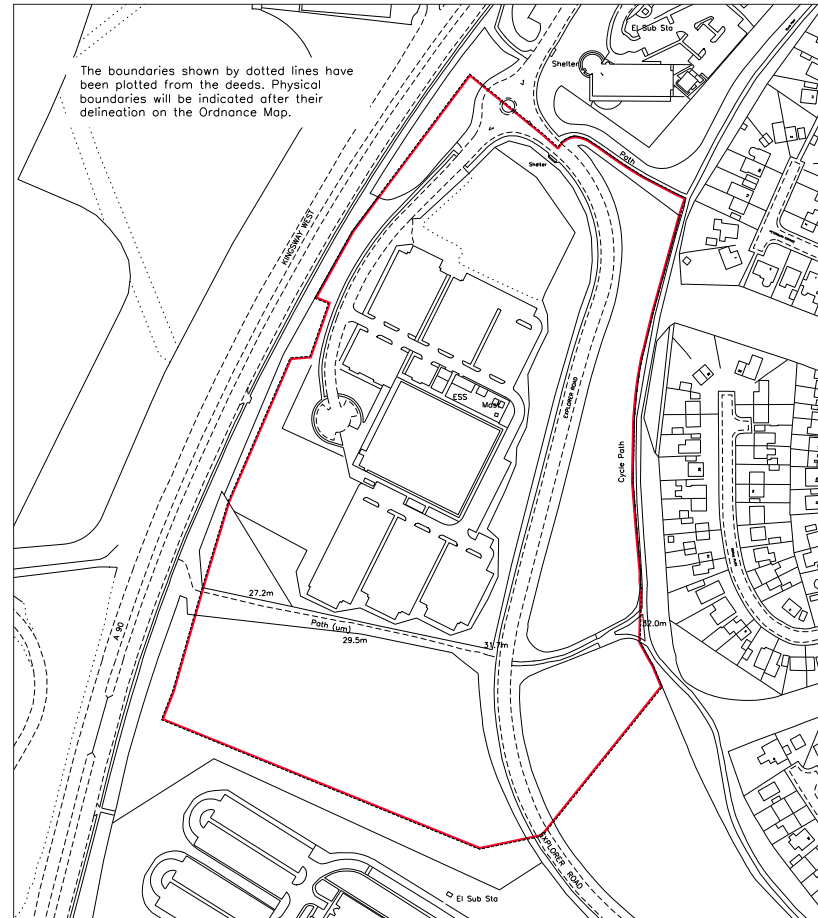

PRIME DEVELOPMENT OPPORTUNITY

Subject to planning, the site offers development potential for a wide range of uses, including (but not restricted to): industrial, residential, and office. Interested parties are encouraged to make their own enquiries to Dundee City Council Planning Department in this regard.
