60 CHURCH STREET

PERFECTLY

LOCATED AT THE HEART OF THE COLMORE BUSINESS DISTRICT

Occupying a strong position at the heart of the Colmore Business District, Birmingham's professional and financial services heartland, 60 Church Street is also just a few minutes from the city's famous Jewellery Quarter, full of thriving pubs, bars and restaurants.

Located on the corner of Church Street and Cornwall Street, 60 Church Street is at the centre of exciting plans for the £160 million redevelopment of the Snow Hill area of the city.

The first phases of work, which have seen major enhancements to pedestrian areas, the public realm and traffic flows around the district, have already completed and helped lift the whole environment of the district.

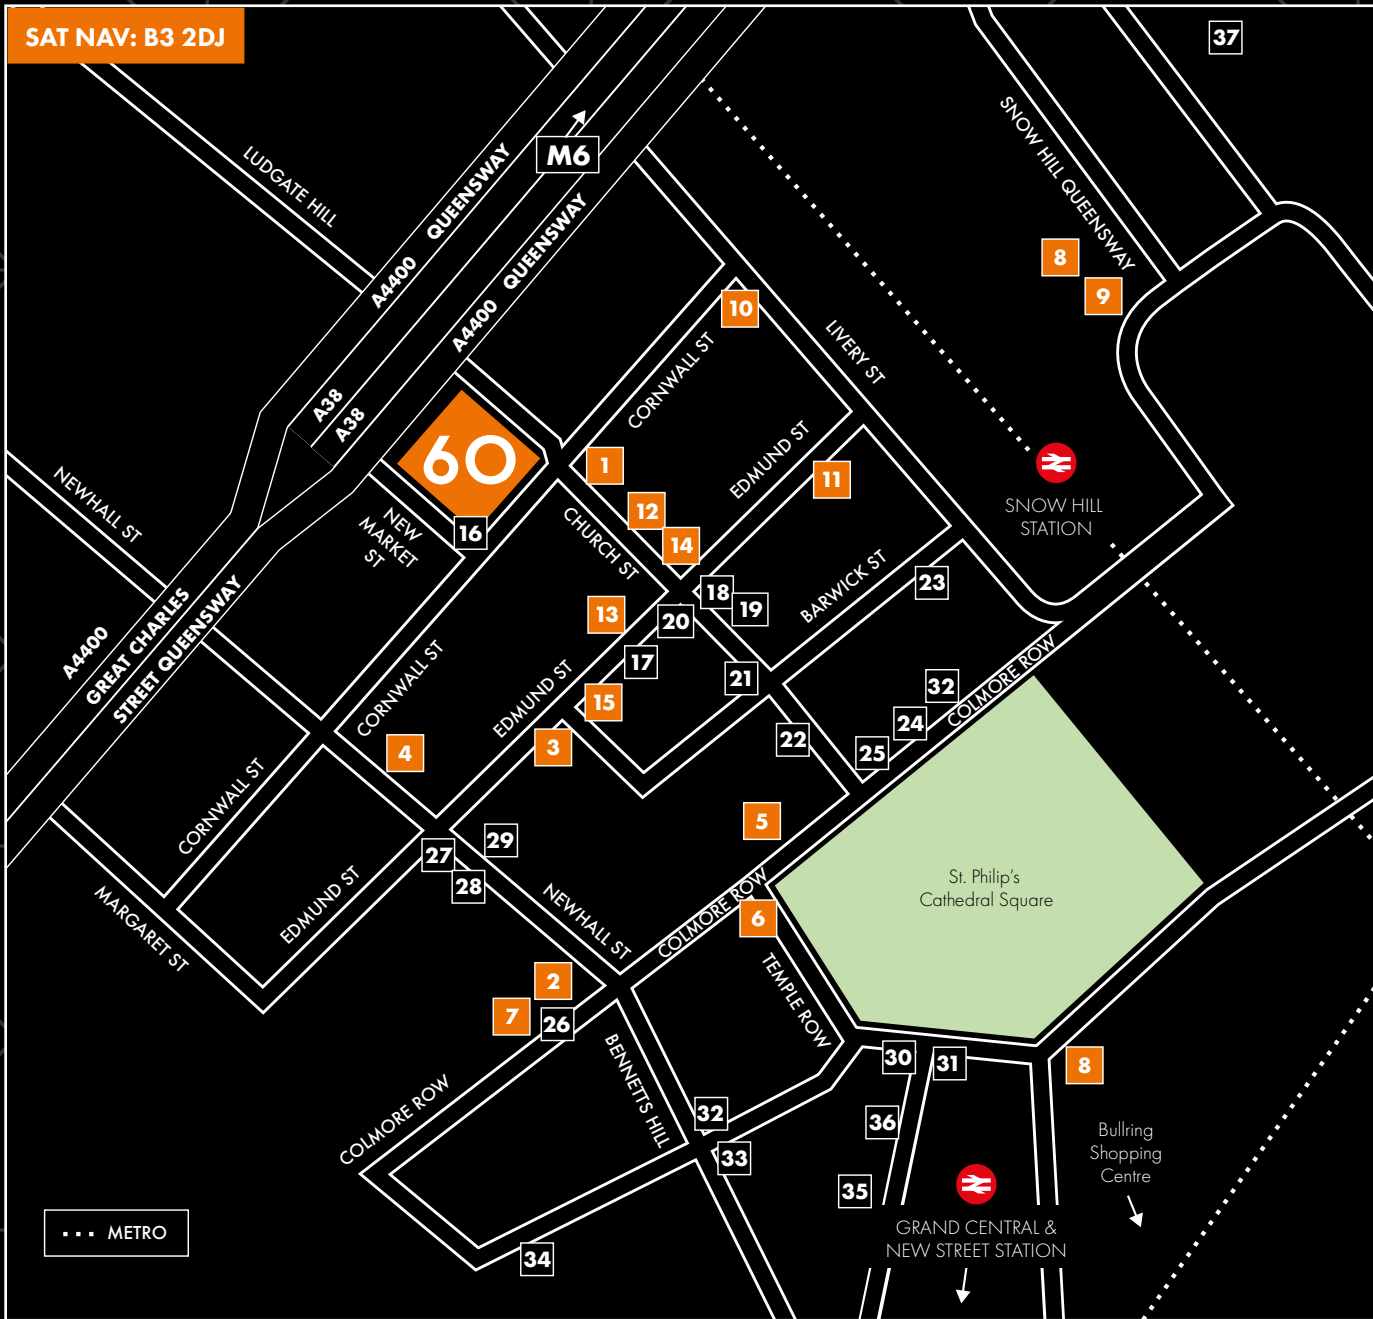

60 Church Street is within easy reach of Birmingham's top retail and leisure amenities. From the Bullring and Grand

Central shopping centres, to a wealth of bars, restaurants and coffee houses, everything from top-end dining, to grab-and-go lunch options can be found on the doorstep.

The superb location also provides instant access to the city's key transport hubs, with Snow Hill, New Street and Moor Street stations all just a short walk away, as well as the future Curzon Street HS2 station, and cycle and scooter hire points.

The nearby A38(M) enables access to the national motorway network, via Junction 6 of the M6 within a few minutes' drive to the North. Bus and West Midlands Metro tram stops are also nearby, creating unparalleled connectivity to local, regional, and national transport networks.

ENHANCED

IMMEDIATE AREA

The building is exceptionally positioned within the Colmore Business District and has benefited from the £1.2 million programme of improvement works around Cornwall Street, which blends with the existing Church Street Square public realm.

The public realm improvements are part of the Colmore Business Improvement District's Outstanding Places Objective and are complementary to the wider Snow Hill improvements.

The improvement works have been managed by a Public Realm Board, made up of representatives from Birmingham City Council, Transport for West Midlands and Colmore BID.

The works have already greatly enhanced the area, with the installation of new lighting and seating, alongside widened pavements to create a fresh, welcoming and open environment.
