"It was clear that the partnership between TCS and Leeds City Council has led to an outstanding redevelopment of Merrion House that bears no resemblance to the tired 70's office block that many of us will remember"
Martin Farrington, Director of City Development , Leeds City Council.

WHY DUCIE HOUSE

Ducie House is a brick built former petticoat factory situated on the fringe of Manchester's Northern Quarter. It offers highly flexible work solutions for companies' needs - large and small, short-term and long-term.

In the past 20 years, Ducie House has been home to a range of exciting and iconic Manchester names including 808 State and Simply Red, as well as ANS, UK Fast, Ask Developments and Ear to the Ground. These days it's now an established city centre location packed with a diverse range of businesses including digital marketing agencies, architects, therapists, accountants, fashion houses and many more.

Abundant with Mancunian character, it retains lots of its stunning original features, including exposed red brick, stunning wooden beams and solid cast iron supports as well as more recent additions including mezzanine floors, spiral staircases and an impressive reception area.

- An established city centre address.
- 64 work spaces.
- Striking reception area with 24hr secure access.
- Large secure private parking area.
- Self-contained duplex accommodation available on the ground floor and on the third/fourth floors.
