ALL THE REASONS

# Whinburgh

IN NORFOLK  
IS THE PLACE TO CALL HOME

Nestled within the countryside, Whinburgh is a quaint village which offers a peaceful retreat from the hustle and bustle of busier

areas. Located near the towns of Yaxham and Dereham, Whinburgh boasts a rich history, scenic landscapes, and a close-knit community.

The name Whinburgh is believed to have Old English origins, indicating a “fortified place overgrown with furze.” This linguistic insight hints towards a past where the landscape was shaped by both human fortifications and the untamed beauty of the surroundings.

Explore the bucolic charm of the countryside with walks and strolls through the parish’s footpaths, the lush landscapes provide a tranquil setting for nature enthusiasts.

At the heart of the village is the charming St Mary Church. With an understated interior and a rustic feel, it’s easy to feel the simplicity and charm afford by a countryside community.

Nestled in the Brecklands, in the heart of the county, nearby Dereham is a classic country market town and an architectural haven with plenty of Georgian gems set on generous plots, blended with more recent developments.

In the eighth century, it is said that the youngest daughter of Anna, King of East Anglia, prayed for a miracle during a famine and two deer appeared every day to provide

milk for the nunnery she had founded. When a huntsman tried to snare the deer, he was thrown from his horse – believed to be an act of divine retribution – and killed. The hunt is depicted on a town sign at the entry to Butter Market from the High Street.

Today, a twice weekly market, on Tuesdays and Fridays, along with a strong cohort of independent and specialist shops and free parking make the town a fabulous place for an afternoon spent browsing. Look out for the town’s other historic landmarks which include the Mid-Norfolk Railway, a heritage line which runs 1950s railcars to Wymondham Abbey, Dereham Windmill, a Grade II listed building which was saved from the brink of destruction, and Bishop Bonner’s Cottage, established in 1502 and believed to be the oldest building in town.
