Rickerby Park and the river are a short walk away and for access to the wider region the M6 and A69 are reached within a few minutes drive. There are a host of local amenities on the doorstep and for those looking to enjoy city living there is no better location.

ACCOMMODATION

An impressive period home, in need of modernisation and upgrading throughout. A rare opportunity to secure one of the last undeveloped homes on the row. The spacious property has the benefit of a large yard/garage providing off-street parking to the rear and a detached walled garden across the lane. There are two good reception rooms to the ground floor as well as a kitchen and utility. It is likely the incoming buyer will want to explore options to combine these two spaces to create a more modern feeling open plan kitchen dining area. There are four bedrooms to the first floor, three of which are double rooms with the fourth being a smaller single/dressing room or study. There is a

large shower room at the rear of the property. Of interest for those looking to increase the living accommodation are two attic rooms which could potentially be further developed subject to obtaining the necessary permissions.
