The Property

42 Apperley Road is a superb detached property with extensive private gardens, located on a quiet tree-lined road within the highly sought-after Painsshawfield estate in Stocksfield. The property presents very well, offering bright and spacious four bedroom accommodation set over two floors.

The property has been diligently maintained by its current owners and interior fixtures and décor have endured admirably. The main sitting room on the ground floor is comfortable and inviting, with a log burner set in an attractive feature fireplace. French doors offer a spacious south-westerly view of the rear garden, while both the sitting room and kitchen receive a considerable amount of light and space from bay windows recently installed on the front of the property.

The kitchen and dining room are situated across the ground-floor hallway, passing via a small WC and storage space. The kitchen is well-equipped, spacious, and brightly lit, owing to a relatively recent renovation that expanded the space to incorporate the existing utility area and introduced a sky-lantern for additional natural light.

The décor and furnishings in the dining room are similarly well-kept, providing an inviting space to entertain guests or family. Much like the sitting room, the dining room features rear facing French doors and a log burner, providing a delightful influx of natural light in the summer and a cosy source of warmth and comfort during the winter. To the rear of the property, there is a conservatory overlooking the spacious garden for idle afternoons in the summer.

Four bedrooms and two bathrooms are neatly arranged across the first floor, with one of the bathrooms functioning as an en-suite for the principal bedroom. Three out of the four bedrooms boast well-proportioned spaces with ample room. The fourth bedroom, slightly smaller in size, could serve as a potential study.

To the front of the property there is ample car-parking space and an attached garage. The property also benefits from an electric-charging point for EMVs, fitted to the exterior of the garage.

Externally

To the front of the property, there is ample car parking space and an attached garage. The property also benefits from an electric charging point for EVs, fitted to the exterior of the garage, in addition to installed solar panels with battery storage. There is plenty of garden space within the property's borders, including a large, south-westerly mature garden to the rear, which has been lovingly maintained. Flower beds, mature shrubs, trees, and a thick perimeter hedge feature to create a private, green retreat. Also within the garden are a shed, greenhouse, and summerhouse.
