With almost 3000 sq ft of space, this stunning period home perfectly blends contemporary features with character charm. Sensitively extended, improved and modernised by the current owners, the property offers very flexible, family-friendly accommodation within steps of Billingshurst Primary School and The Weald.

Configured as a five bedroom, four reception home, this amazing house offers scope for multi-generational living within a few minutes walk of the bustling village centre and all local amenities. Set back from the road within an elevated position, there are good sized gardens with secluded patio seating areas, parking for several cars and a useful garden room / workshop. The stunning principal reception room has a very high specification kitchen, bifolding doors onto both gardens and a woodburner. The cosy sitting room has another woodburner set within an Inglenook fireplace and there is plenty of space for children to play whilst adults relax. Unusually for a property of this age, the cottage isn't Grade II Listed. It features triple glazing and lots of exposed brick and stone work plus gorgeous original beams.

Commuters will love that the mainline railway station is less than half a mile away, with direct routes to London and Gatwick.
