This is a rare opportunity to own a ground floor flat featuring a private patio. 1s Cedar Lodge is accessed via a communal entrance with a new visual entry phone system, leading to a small communal hall with doors to three apartments and a lift to the upper floors.

Upon entering, a central hallway guides you to a dual aspect sitting/dining room. Patio doors open onto a private patio and the communal grounds, offering spectacular views. The kitchen, located just off the sitting/dining room, can potentially be opened up to create a spacious kitchen/dining/living area, as seen in other apartments within the development. An adjacent dining room could expand this open plan space, all subject to management and freeholders approval.

The apartment features two-bedroom suites, with built-in wardrobes and en-suite bathrooms. There is also a utility room that can be converted into a separate cloakroom/utility room. While the apartment needs complete renovation, it provides an exciting opportunity to personalise this luxury space, subject to necessary permissions. The property also includes a double garage with power and electric doors (which may need a new motor).

Lythe Hill Park, developed in the 1980s after the original house was destroyed by fire, boasts over 40 acres of magnificent parkland with a variety of specimen trees and shrubs, offering breath-taking panoramic views. Residents have access to amenities such as a tennis court, swimming pool, squash court, and a pitch and putt golf course. The views to the East are particularly stunning.
