This extended detached bungalow is tucked away at the end of a quiet cul de sac and offers particularly spacious accommodation of over 1,200sq.ft. The property is now in need of modernisation and updating but offers great potential and is significantly larger than most bungalows in this area.

The property benefits from gas central heating (replacement boiler in 2019), upvc double-glazing, pvc soffits and fascias, and the accommodation comprises entrance hall, sitting room, living room, conservatory, kitchen, master bedroom with en-suite shower room, two further bedrooms, a bathroom and separate toilet. Externally there are easily managed gardens to both the front and rear, and a block paved driveway leads to a single garage.

Norton is a popular town which benefits from a comprehensive range of amenities including schools, shops, pubs, golf course, sports centre and swimming pool. The town is separated by a bridge over the River Derwent from Malton, which has in recent years gained a reputation as Yorkshire's Food Capital and where there are further amenities. The railway station provides regular services to York from where London can be reached in less than 2 hours. Kingston Drive is a quiet cul de sac, located just off Hambleton Road and Number 24 can be identified by our For Sale board.
