Immersed in the sunset glow

A LIFE OF LEISURE

Sailors Wharf, a waterside building in West Quay, beckons with the romance of uninterrupted views of the River Thames and sunsets that can be savoured from your very own home.

It's a place where absorbing yourself in community life is easy. From catching up with the neighbours at the Farmers' Market, to going for a run by the River, there are countless ways to make your day special.

Inside the bright and spacious homes, the contemporary décor feels just right: effortless, decadent, and elegant. The perfect backdrop to work, rest, and play.

A THING OF BEAUTY

The location of Sailors Wharf is truly special. As the westernmost building at Royal Arsenal Riverside, it directly faces the sunset, with golden hour light streaming into the homes. At its feet, secluded gardens come down to meet the River, creating a picturesque backdrop for morning jogs, picnics, or after-work drinks.

Inside, interiors are defined by clean lines, soothing earthy tones, and decadent finishes. This original take on interior design has plenty of personality; striking the right balance between elegant and homely.

MAKING A STATEMENT

Sailors Wharf makes the most of its outstanding location. The architects at E8 Architecture maximised the views of the River with dual-aspect apartments and private balconies.

The dark copper and bronze detailing reflects the sun changing the colour throughout the day. Wait until you see it at sunset when the entire building is illuminated with a dreamy golden glow.

GET CURIOUS

Just a short walk from Sailors Wharf, Woolwich Works is London's go-to destination for live music, art, comedy, and dance. Its dramatic setting in a restored industrial complex only adds to the hip factor, making Woolwich Works one of the city's most atmospheric venues. Mark your calendar for the annual Woolwich Contemporary Print Fair, the largest of its kind in the UK.

Royal Arsenal Riverside is also home to exciting creative residents, including the immersive world-renowned theatre production company, Punchdrunk, as well as The Chineke! Orchestra and Protein Dance.

HERE AND NOW

Revel in new rituals as long river walks become your daily meditation and days wrap up with yoga on the grass. On your doorstep, you have the four-acre Maribor Park created by award-winning landscape designers with a beautifully simple philosophy behind it: stop and rest. Find your favourite quiet spot to embrace slow living and tune into the sound of meandering streams running through the grass.

EVERYDAYS AND ESSENTIALS

Breakfast at Boulangerie Jade

Royal Arsenal Riverside takes convenience to another level. You can pick up the essentials (or that secret ingredient to your favourite dish) on the way home from several local supermarkets, including M&S Foodhall, Tesco Express, and Sainsbury's Local. While all the amenities you could need - from shops to cafés to a doctor's surgery - are all on-site.

IN GOOD COMPANY

Royal Arsenal Riverside isn't just a place, it's a real community. And we've got a great crowd here. Whether you're looking for company for long dog walks, foodie adventures, or sports – someone's always game. Making new friends is easy, especially if you join a neighbours' club like RAR Tails Dog Walkers or RAR Food Group.

From outdoor screenings to street parties, the social calendar at Royal Arsenal Riverside is filled to the brim. But without a doubt, everyone's favourite event is the beloved Farmers' Market. On the second and last Saturday of the month, pop by to sample street food, buy some of London's best local produce, and catch up with the neighbours over coffee. We'll see you there.

ON THE MOVE

Greenwich has something magical about it. It's where eastern and western hemispheres meet, and where time was born (or at least the standardised Greenwich Mean Time). For a splash of history, head to the Royal Observatory, Britain's oldest scientific institution, or the Maritime Museum. For shopping, the Greenwich Vintage Market offers an eclectic selection of antiques and collectables, but there are also plenty of high street brands and outlets if you're more inclined towards a contemporary style.

O2 Arena

The O2, Millennium Dome

The iconic O2 Arena has long been synonymous with the biggest music, sport, comedy, and entertainment events in the city. But the list of superlatives goes on. Cineworld at The O2 is London's largest cinema and the world's first 270-degree viewing experience. And you can easily feel on top of the world at Up at The O2, an exhilarating outdoor climbing experience on the arena roof. For a less adrenaline-fuelled afternoon, however, you might want to pop into ICON Outlet at the O2, a huge retail space with discounts on the world's best-loved brands and big-name labels.

Few cities in the world manage to succeed at being both an art hotspot and a global business centre. London is one of them. And increasingly, these two worlds are coming together. While the City and Canary Wharf are the traditional centres of finance, the capital has established itself as a great base for employers across various industries, from tech to art and culture.

Locally, investment in Woolwich is attracting new retailers to the area, while London City Airport is expanding to meet demand from business travellers. And London's third business district for overseas high-tech firms is already gaining momentum at the nearby Royal Albert Dock.

BEST IN CLASS

London is known for its highly rated learning institutions and Sailors Wharf is easily within reach of many of them. From the on-site nursery to several nearby primary and secondary schools with an 'Outstanding' Ofsted rating, getting to class on time won't be a problem.

The closest university is the University of Greenwich, while the London School of Economics is just under 10 miles away.

HOME TO NEW RITUALS

Sophisticated silhouettes of contemporary design have an air of timelessness about them. Sailors Wharf interiors capture the essence of this iconic style with clean lines, natural materials, and effortless functionality. From the kitchen to the bedrooms, the apartments have been carefully designed to create a cohesive aesthetic.

With large windows allowing natural light to flood the rooms - and maximising the unmatched river views - Sailors Wharf draws on the alluring indoor-outdoor aesthetic. The result? Homes that are bright and inviting; providing a sense of peace and tranquillity- with a signature touch of personality.

LIFESTYLE INTERIORS

The living space is designed to be as versatile as possible. It's a fitting backdrop to a lifestyle that spans everything from relaxing nights in to entertaining guests. And of course, there's also the private balcony for soaking up that golden hour light.

YOUR HIDEAWAY

How do you design a space with plenty of character without overwhelming the senses? It's all in the details. Lavish finishes and fitted wardrobes add a touch of luxury, while maintaining an open and relaxing atmosphere in the bedroom.

AN ODE TO SLOWING DOWN

Long baths and leisurely skincare routines are that much more tempting when the bathroom looks this good. With heated towel rails, a shower with all the mod cons, and floor-to-ceiling tiling. The bathroom has been perfected to the very last detail.

MYHOME PLUS

MYHOME PLUS IS A NEW ONLINE SERVICE THAT IS DESIGNED TO HELP YOU MANAGE KEY ASPECTS OF YOUR NEW HOME AT ANY TIME FROM ANYWHERE AROUND THE WORLD.

THIS SECTION PROVIDES YOU WITH A STEP-BY-STEP GUIDE TO THE BUYING PROCESS FROM RESERVATION THROUGH TO COMPLETION, MOVING IN AND WARRANTY.

At each milestone, the buying process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further detail on this.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.

NEXT STEPS

- (i) Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access.
- (ii) Customer Service will then be in touch to invite you in to our Show Apartment to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Service will need to receive your choices selection by the deadline date, which will be given in advance.

THE BERKELEY DIFFERENCE

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need - well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions. And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast - we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For Berkeley, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us. We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers. Our Vision 2030 is our ten-year plan which sets out how we will achieve this.

TRANSFORMING TOMORROW

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

SUSTAINABILITY

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to Berkeley's ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at Royal Arsenal Riverside.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, green roofs, ponds, hedges, gardens - these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to creating a net biodiversity gain on our developments. Within and around Royal Arsenal Riverside, we have created natural habitats that encourage wildlife to flourish. We are working with London Wildlife Trust & HTA Design Ltd to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, and have been fitted with mechanical ventilation units with heat recovery (MVHR). All lighting is low energy.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout Royal Arsenal Riverside we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we provide mechanical ventilation to filter the internal air.

SUSTAINABLE TRANSPORT

We provide cycle paths, secure cycle parking and car charging points to encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with the managing agent and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future design.
