Description

Enjoying a view to the front of the building this one bedroom first floor flat is south/west facing so very light and bright all year round. The full-length window and door mean that even when sitting down you can enjoy watching the comings and goings in the car park and street below.

There is a lift or stairs up from the communal entrance hall which is accessed via a secure entry phone system. Also off the main lobby is a residents' lounge, guest suite for hire for friends or relatives, and the manager's office. On each floor there is a laundry room for the residents use.

Entering the flat there is a very handy double cupboard in the hallway housing the hot water heater with lots of space for the Hoover, coats etc too. The living room is open plan to the kitchen which has a built in oven and hob and space for a fridge/freezer. You should be able to fit a small table and chairs in the living room if you like to have family round for a Sunday roast. As this room faces south/west it can be warm in the summer so there is a vent in the window for an aircon unit, which will be included in the sale.

The bedroom is a generous double room with built in wardrobes, it also looks out to the front of the building. The shower room is nice and modern and fitted with a walk in shower unit for easy access, toilet and vanity wash basin with storage below and to the side for all your perfumes and potions.

This is a leasehold property which is offered chain free and the extended lease should save a lot of money and legalities. The extended 125 year lease is dated from 2017, so there is 118 years remaining. The building is managed by managing agents Centrick, with a quarterly service charge of £632.16, which is fixed until 2028. Ground Rent is £250 each year due in March and the next review is in 2028. We believe that there is a transfer fee of 1.5% of the sale price payable to the freeholders upon sale.

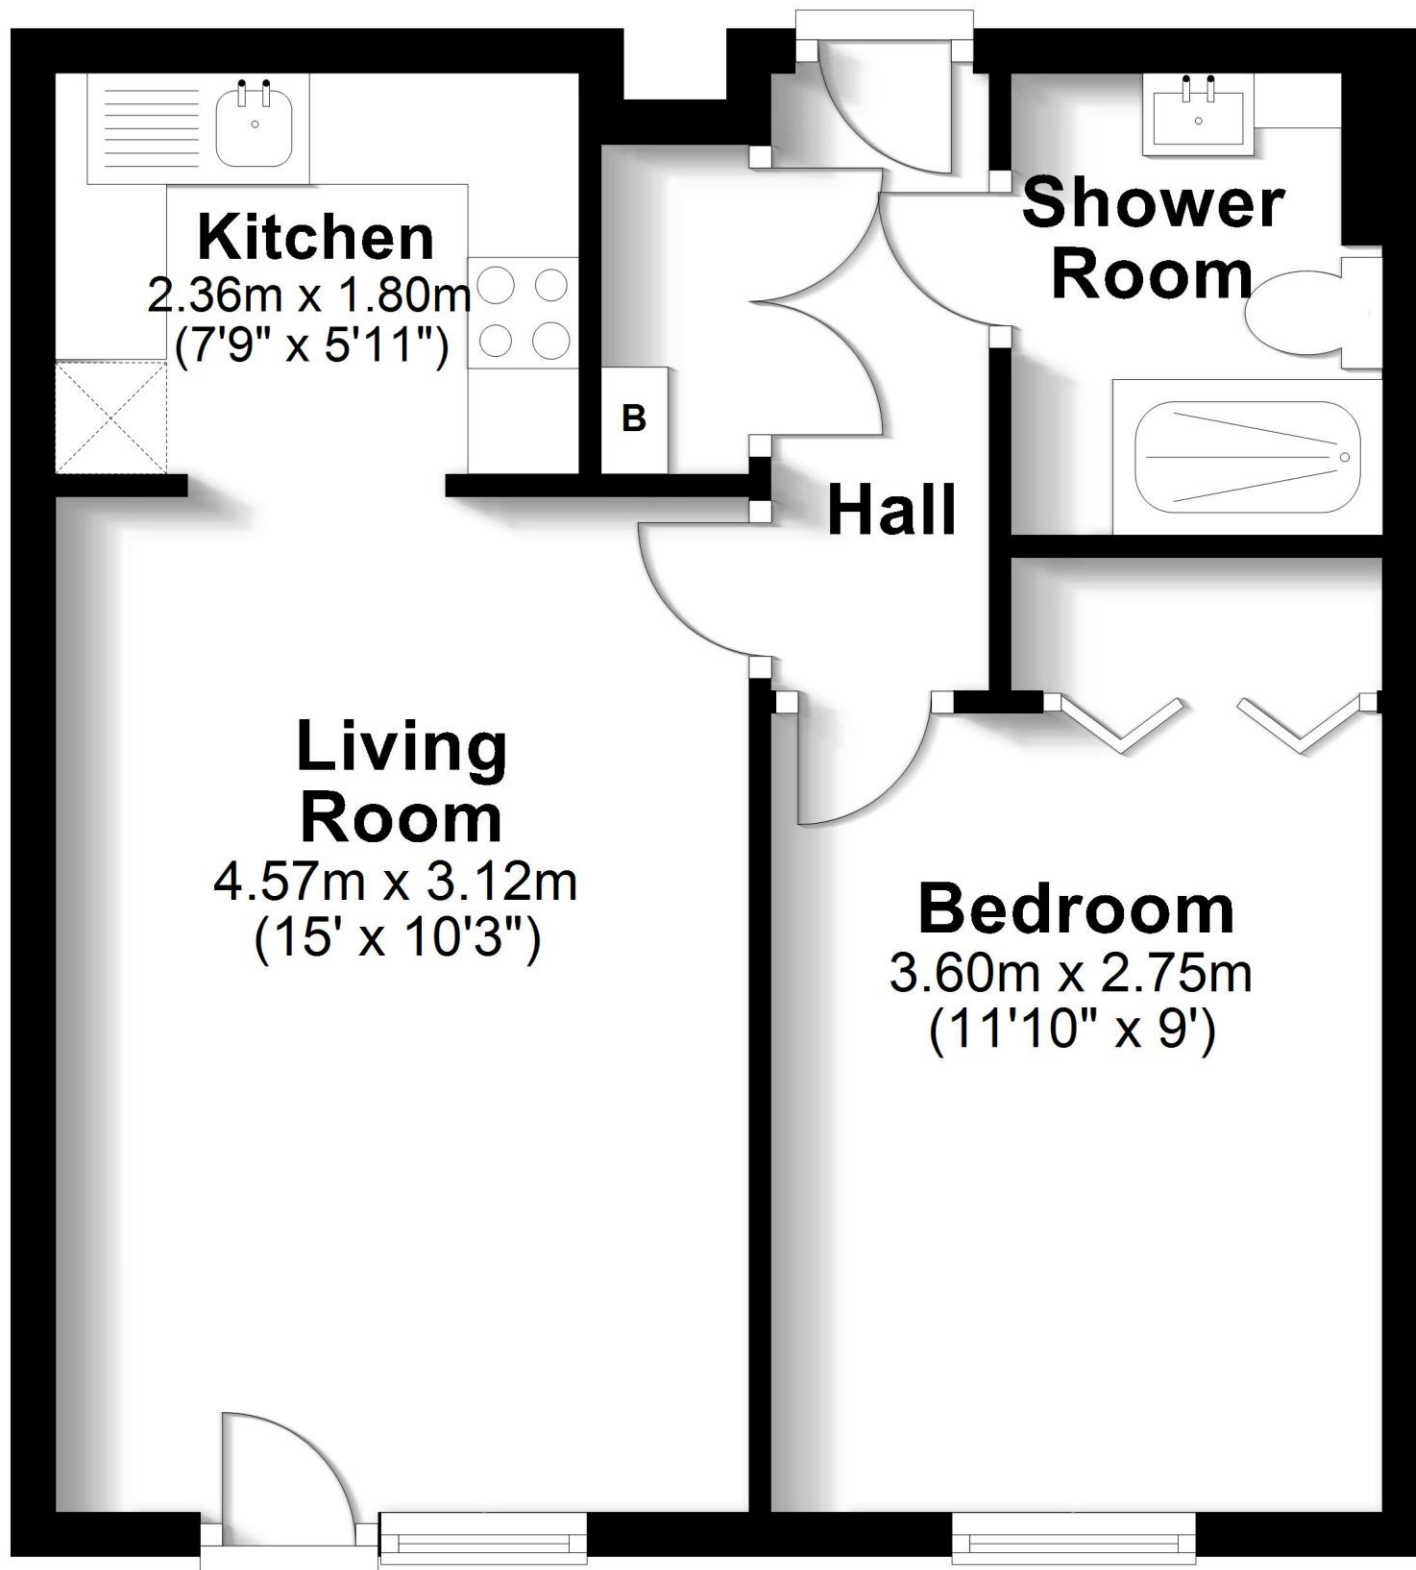

The development is for residents over 55 years of age. Unfortunately, pets are not allowed here.
