

Land to the South of Moor Cottage

MILECASTLE | HALTWHISTLE | NORTHUMBERLAND

A parcel of meadowland in a picturesque position,
close to Hadrian's Wall

The Land

The land extending to approximately 4.55 acres is meadowland situated in a picturesque position, to the south of Hadrian's Wall. The land is down to permanent pasture and is mow-able, ideally suited to livestock grazing or equestrian use. There are services adjoining the land and it has potential for a variety of uses, subject to the necessary planning consents.

Easements & Wayleaves

The land is sold subject to and with the benefit of all rights of way, water, drainage, watercourses, light and other easements, quasi or reputed easements and other rights of adjoining owners (if any) affecting the same and all matters registerable by any competent authority subject to statute.

Method of Sale

The land is offered for sale by private treaty. The vendor and sole selling agents reserve the right to withdraw or exclude any of the property at any time. The vendor reserves the right to alter any of the Terms and Conditions of Sale or to change the method of sale without notice. For this reason we recommend likely purchasers should register their interest with the agents as soon as possible in order that they may be kept informed of any changes to the marketing of the land.

Overage Provision

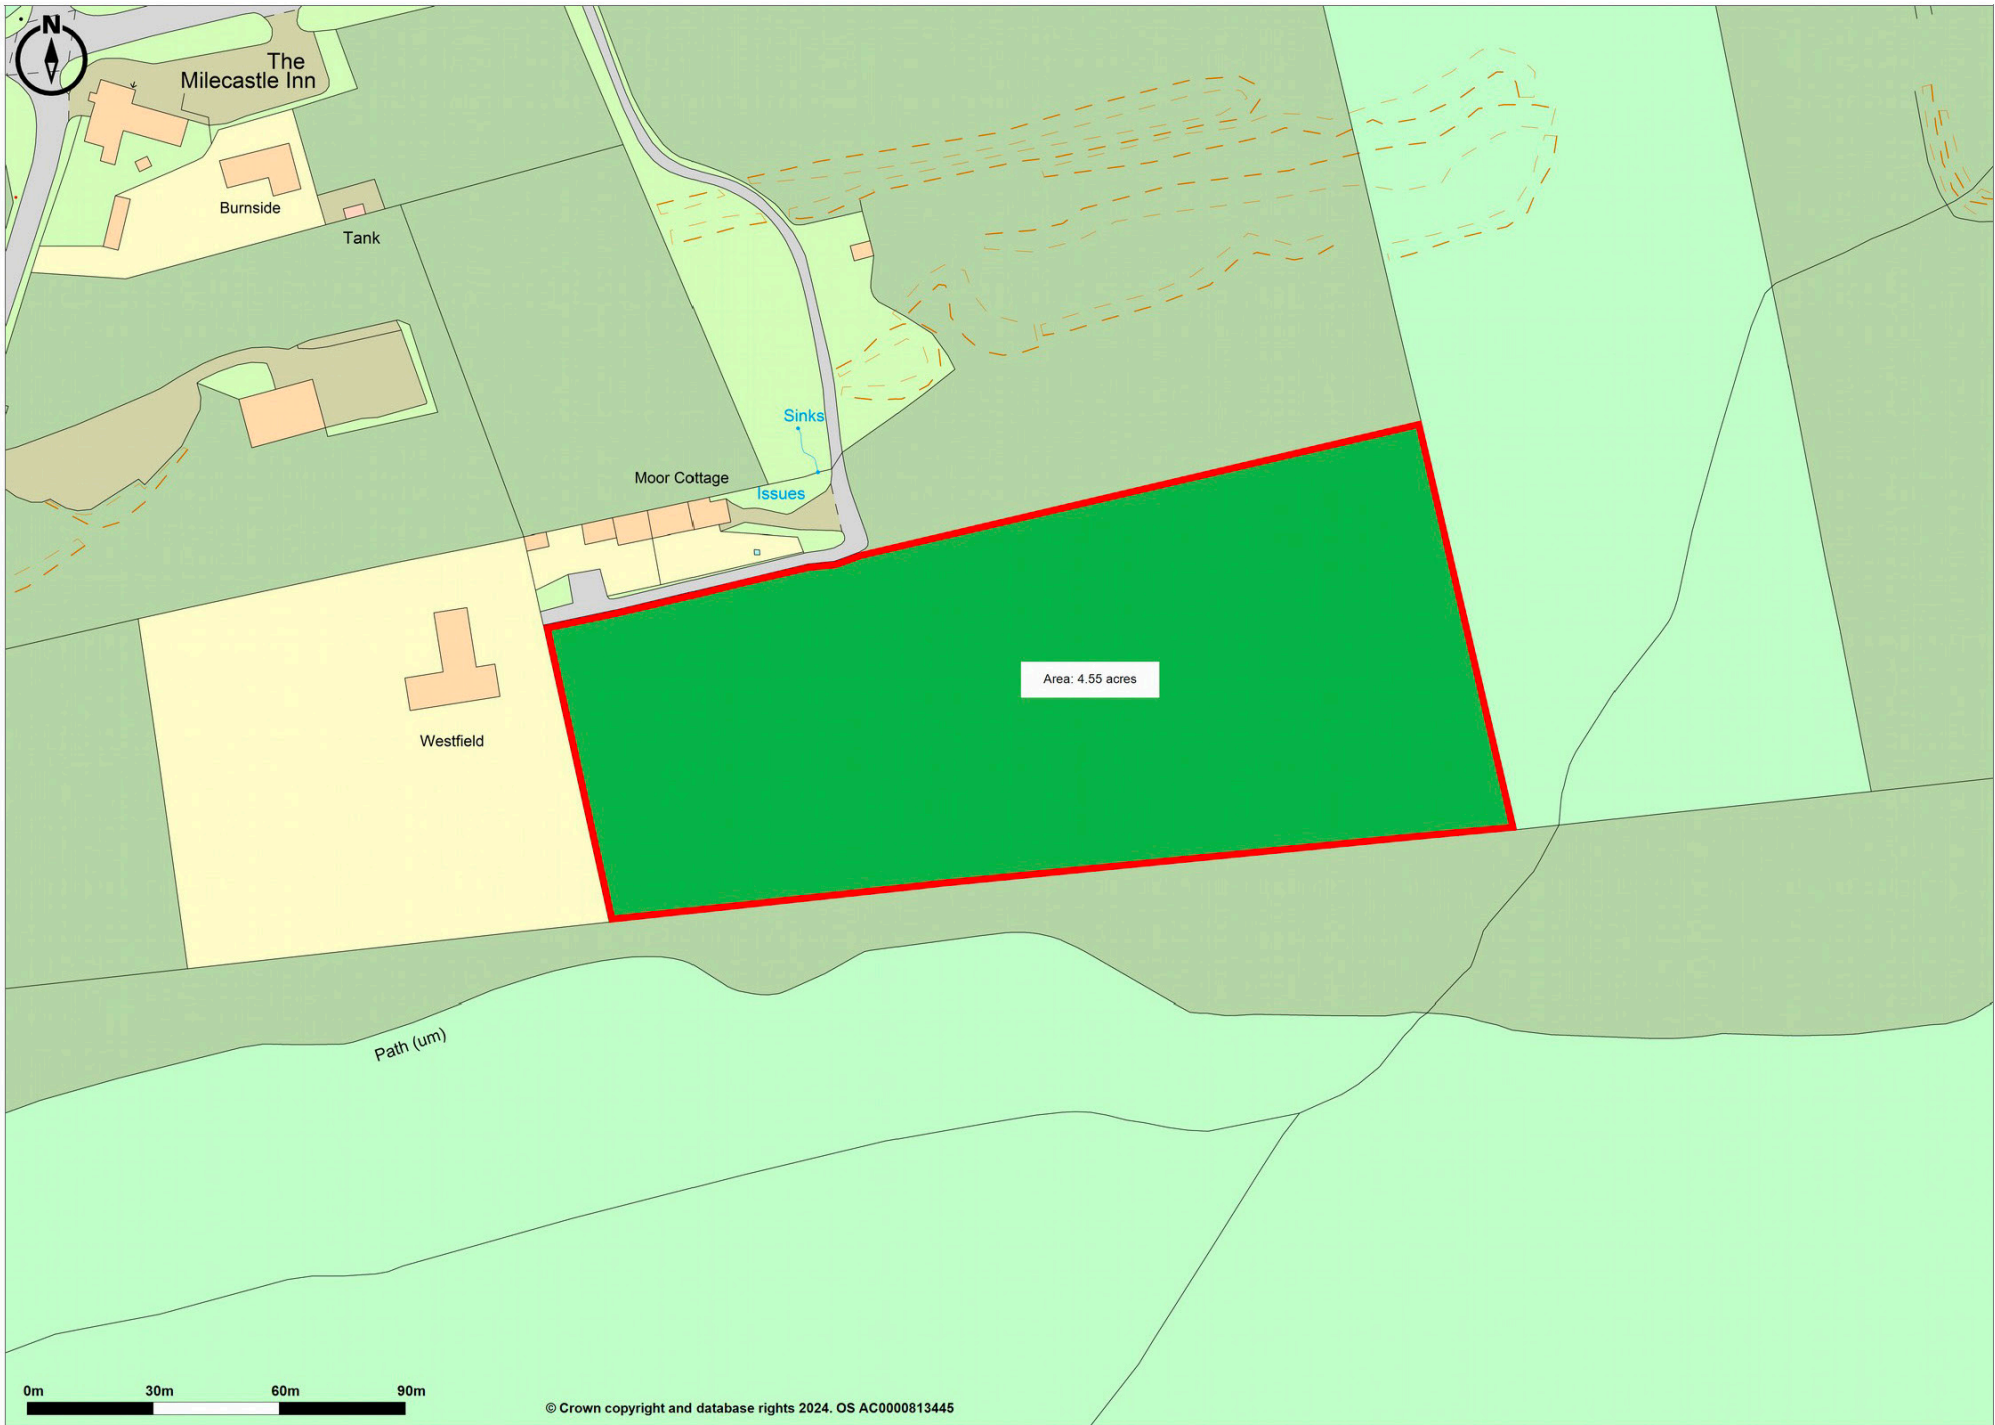

The land will be sold subject to a clawback of 30% for a term of 30 years from the date of completion to the benefit of the Vendor and their successors in title. The clawback is triggered by the sale with or implementation of planning permission for any use other than agriculture, equestrian or forestry. The vendor may be prepared to negotiate on the terms of this provision.
