

THE WEDGE, 39 BALLARD ESTATE, SWANAGE
£995,000

The accommodation has been carefully arranged to take advantage of the abundance of natural light with striking vaulted ceilings, enhanced with high level windows throughout, veluxes and light tubes and a neutral decor. The flow from open spaces to more enclosed areas works perfectly.

Built by the current owners in 2005, it is constructed of SIP panels with brick and concrete render. The pitched section of the roof is covered with Redland cambrian slates and the flat roof is thought to be covered with zinc.

This area could easily be used as an informal living space/study. The impressive open plan living room continues the flow of design at an angle and has views of the Purbeck Hills. Dual aspects allow natural light to flood the room, further enhanced with light by way of the high ceilings and velux windows. Double glazed sliding doors lead to the garden, harmoniously blending the indoor/outdoor living space. The dual aspect kitchen is fitted with an extensive range of stylish units, including quality integrated appliances and ample storage.

The generously sized principal bedroom suite is at the rear of the property and enjoys dual aspects with double glazed sliding doors to the garden. It has a range of fitted wardrobes and a luxury en-suite shower room with quality fixtures creating a streamlined space. There are 2 further good sized South facing double bedrooms. The family bathroom is fitted with a stylish suite in white with panelled bath and shower over, wash basin with vanity cupboard, and WC.

Outside the property is approached by a gravelled driveway leading to the detached garage with electronically operated door. At the rear of the garage, with a separate entrance, is an office and a workshop fitted with worktops and cupboards. The landscaped mediterranean style garden offers an easily maintained space mostly bound by mature shrubs and includes a paved terrace, lawned area & raised borders.
