SETTING THE SCENE

As you turn into the development take your first right and the property will come in to view directly ahead of you set behind a low level rope and timber front with shingle driveway suitable for multiple vehicles. To the right of the driveway, the garage can be accessed with a timber gate giving access into the rear garden.

THE GRAND TOUR

As you step inside, wooden effect flooring lines the central hallway giving access to all bedrooms and living space within the property as well as the three piece family bathroom which features a walk-in shower, tiled flooring and part tile surround plus vanity storage, a frosted uPVC double glazed window and heated towel rail. The larger of the bedrooms can be found to your left, a large double bedroom with carpeted flooring, neutral décor, oil radiator and built in cupboard, this room still leaves ample space for additional storage and furniture. The second double bedroom comes to your right, also with carpeted flooring, front facing uPVC double glazed window and oil radiator this room has been altered to open into the third bedroom. The third room originally was accessed via the dining room, and could easily be changed back to this configuration separating the rooms once more and creating a single bedroom with built in wardrobes or if removed, a smaller double bedroom, but currently serves as a spare bedroom and dress room/walk in wardrobe.
