The Area

The village of Plean lies just 12 minutes from Stirling City and is located on the main A9 road from Falkirk. Perfectly placed, this historic village has all the essential amenities including a local library, medical centre, pharmacy, pub and convenience stores. East Plean Primary School benefits from a purpose-built nursery, which was added during the refurbishment, where some of the original features of this historic building, dating back to 1874, were retained.

One of the key attractions in the area is Plean Country Park, owned by Stirling Council, providing over 200 acres of woodland and parkland. Open all year round, there is an array of cycle and walking paths, play park and horse riding trails. For wildlife spotters, you can see roe deer, rabbits, foxes and many different species of birds.

Throughout the year, there are a variety of events such as Family Fun Days. Just a mile from Plean, you will find Plane Castle, often known as Cock-a-bendy Castle. Steeped in history, this small oblong tower dates back to the 15th century and is ideal for a self-catering staycation or perfect for a wedding/celebration venue.

Found the 'One'?

Once you have chosen your house style and which plot you want to buy, we can assist you, if required, with the following:

- Appointing a solicitor to carry out the conveyancing for your purchase is essential; however, should you require the recommendation of a solicitor, we will be happy to put you in touch with one.
- Financial advice from an Independent Financial Advisor, if you do not have anyone in mind, we can recommend a suitable independent advisor to provide free financial advice, prior to your reservation. Please ask sales manager for details.

The next stage is formalising your reservation agreement which will hold your chosen plot and fix the price of the property for the period stipulated (usually 2-3 weeks) and making your reservation payment fee of £500. (Preferred payment method is online banking however if this is not available to you the site sales manager can advise a suitable alternative.)

**70% of your reservation fee will be retained should you cancel your reservation prior to concluding the missive contract.*

During the fixed period your reservation agreement states, our standard, legal missive contract will be sent to your appointed solicitor. The stipulated

expiration date on your reservation agreement will be the same as the date we require your missive contract to be concluded by. **These dates are extremely important as the reservation will automatically expire & any incentive offered will be withdrawn, should the next stage of concluding the missive contract not have been achieved (unless a written request submitted from your solicitor to ours has been approved by our office) and the plot will be remarketed for sale.** Once you and your solicitor are satisfied with everything, your solicitor will conclude missives on your behalf. At this point the balance of the deposit will be payable which is further £1000 adding to your total deposit of £1500.

Found the 'One'?

With the legalities complete, subject to build stage, you will be invited to a specific appointment at the marketing suite to make your colour choices from our excellent range of standard options, plus our client extras range, to finish your new home. The appointment date agreed will be the Final opportunity for processing all colours and any client extras for the property (we are unable to consider any amendments/additions to your colour selections or chosen extras after this appointment date); however, would welcome as many visits by appointment, as necessary prior to the final appointment date & time agreed.

*Please be advised only our pre-approved list of extras will be considered, subject to the build stage of the property at the time.

Following this, we will keep you informed at intervals of the progress of your home, to monitor the build programme and anticipated entry date. **As your build progresses, we will be in a clearer position to advise on firmer, likely date for completion.**

Brexit, Lockdowns and significant demand are combining to create shortages in the essential materials and labour the UK's housebuilding sector needs, with global supply chains significantly stretched and order backlogs now a regular occurrence. Whilst we will continue to provide all our customers with anticipated dates, some delays may be encountered in the coming months because of the shortages.

Subject to build stage at point of reservation

- Prior to completion of foundations and ground floor – at this stage, we will advise buyers of an anticipated calendar quarter.
- When the roof is completed and the building weatherproof – at this stage, our buyer will be advised of the anticipated month of completion.
- When the home is decorated, main services connected and passed fit for habitation by the local authority and Warranty body provider – at this stage, an anticipated move-in date will be agreed with you.

When your move-in date has been finalised, your funds from your solicitor will be transferred on the agreed date. You will receive a personal home demonstration of your new home from our site team representatives along with the keys to your new home.

On your day of settlement, you will be provided with a one month after entry form to allow you to record any minor snagging issues which will be reviewed by our site team at the end of the first month.

Details of our emergency Customer Care number will be provided for any urgent items.
