A great opportunity to purchase a spacious 4 bedroom detached chalet bungalow situated on a large plot in a sought after location in Telscombe Cliffs. The property offers flexible and light accommodation including a potential annex and has lots of scope for extension and improvement. A particular feature of the house is the **110' x 50'** rear garden which is completely private and level.

Fairlight Avenue is well situated for all amenities being just a few yards from the A259 Coast road with its excellent bus service to Brighton City Centre. Telscombe Cliffs primary school is around the corner and the Telscombe Tye with its lovely countryside walks is close by.

The front door leads to a spacious entrance hall with a deep cupboard (previously a separate cloakroom/WC). There is a large Kitchen/Dining room to the rear of the house that overlooks the lovely gardens. The kitchen then leads around into a dining area and the main lounge with a fireplace and south facing window. Patio doors open into the rear garden. A door from the dining area leads to 2 rooms that are currently used as a clinic and study. These could easily be used as further reception rooms or potentially, an annex. Also on the ground floor are a 2nd reception room with a staircase to the first floor, a large double bedroom and a spacious bath/shower room.

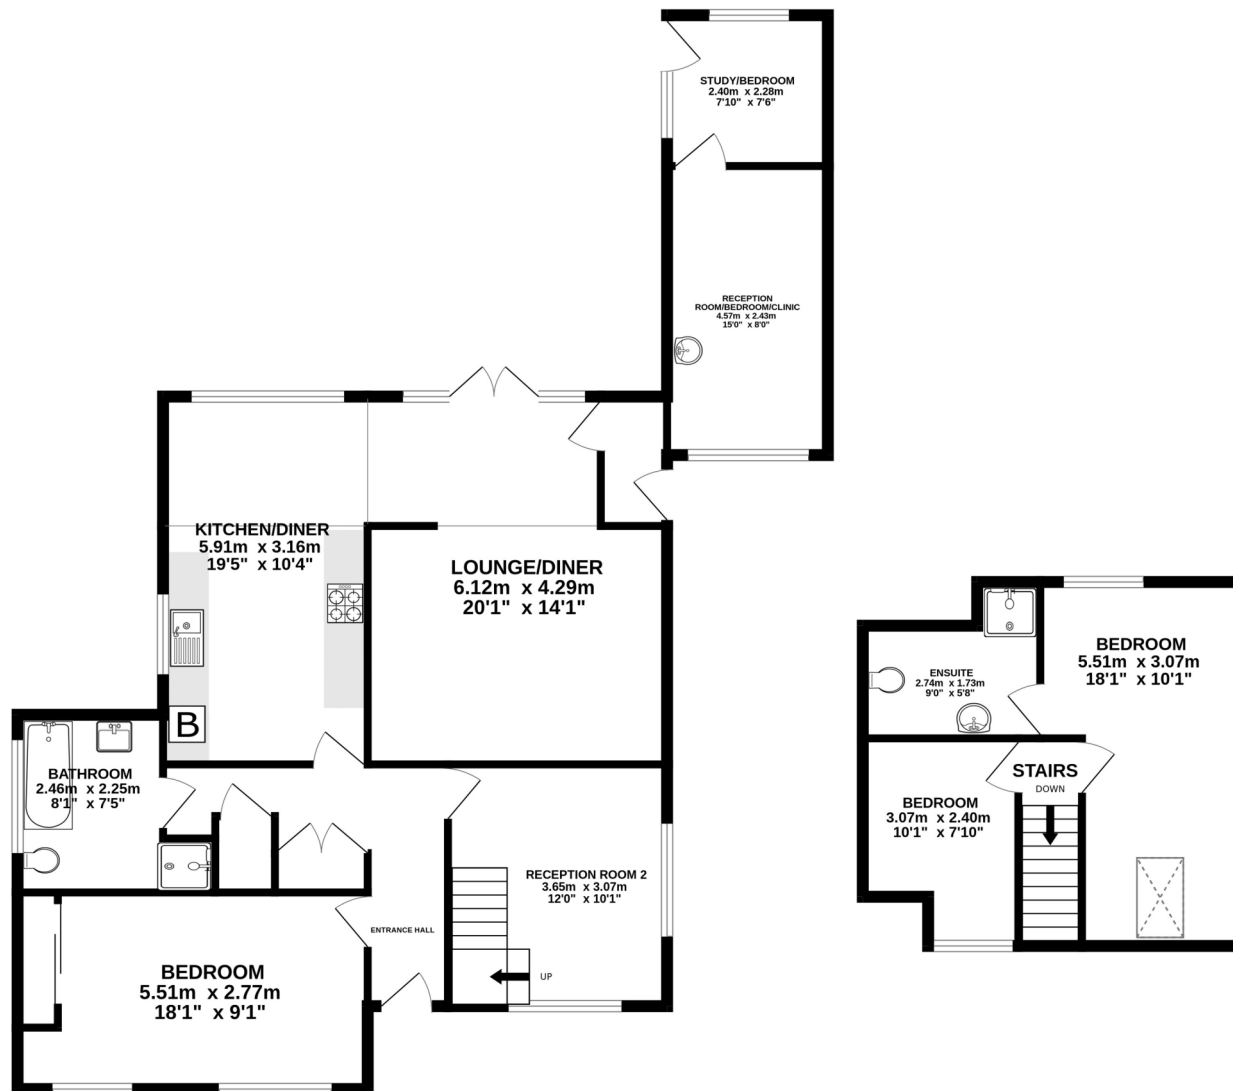

On the first floor is a good size double bedroom with its own en-suite shower room. This room is dual aspect and has a nice outlook. A second bedroom completes the first floor accommodation.

The property offers an incredible amount of space externally. The front garden has an attractive layout and a driveway with parking for 3 or 4 cars. A side path leads to the rear garden. The rear garden measures 110' x 50' and is level and very private. The garden is mainly laid to lawn with many established plants, trees and shrubs. Directly off the back of the house is a large paved patio area, ideal for entertaining. In the central area of the garden is a 30' sunken swimming pool which would need either recommissioning, or it could be covered over with a deck or something similar if not needed. There is a shed, a summerhouse and a greenhouse.

An early internal viewing is highly recommended as properties like these are rarely available.
