The Park Lane Group strives to constantly improve the design and construction of its properties. As a result, alterations take place from time to time which may lead to differences between the properties and brochure descriptions. Whilst we endeavour to be accurate, our marketing material does not provide an infallible guide to actual specifications. For sales purposes, the choice of kitchen finishes is only available for early reservations.

Distances and travelling times are for guidance only and should not be relied upon. Artists' impressions, illustrations and photographs are purely indicative and may not be wholly representative.

We therefore advise the interior and exterior specifications are verified with our representative or selling agent.
