EXCLUSIVE NEW HOMES

IDYLLIC LOCATION

Welcome to Woodhurst Grove, an exclusive collection of 2, 3 & 4 bedroom homes for private ownership. Surrounded by beautiful farmland with uninterrupted views to the coast, as a location it doesn't get better than this.

Our new homes are set back from the A259 and have great road links. You will also find the amenities of Little Common village, Cooden and Bexhill on your doorstep. It's the ultimate combination of being well-connected, yet away from it all. Just the place for a relaxed lifestyle.

This latest collection of Park Lane Group homes also enjoys an enhanced specification, with energy efficiency and the environment at the forefront of the homes' contemporary design.

The development is spacious, with the homes arranged around a leafy pocket park. The private grounds extend beyond this to a large pond with bench seating, providing a spot for coffee and contemplation. The surrounding farmland stretches all the way to the coast, providing magnificent, uninterrupted views.

ENHANCED SPECIFICATION

We have orientated the homes to make the most of their semi-rural location, capturing far-reaching sea views from the master bedrooms, and open countryside from the living spaces. You will find an impressive list of fittings and features included in the price of the homes too. For early reservations, we also offer a host of optional fittings.

Internally, every home features a spacious open plan layout, designer kitchen with integrated appliances and beautifully proportioned bedrooms. The gorgeous bathrooms are fully fitted and benefit from porcelain tiling, whilst the 3 and 4 bedroom homes also boast ensembles.

ECO CREDENTIALS

Energy efficiency has been a priority here. We have installed air source heating and hot water systems in every home to reduce energy use and bills. You will find electric car charging points*, and we have added a variety of initiatives to encourage and support wildlife throughout the grounds.

*EV charging points are not available on some plots.

QUIET & CONVENIENT

Woodhurst Grove enjoys an elevated location off the A259 and backs onto open countryside providing uninterrupted views to the coast. The homes are also ideally positioned for the surrounding road links and local bus service, whilst Cooden Beach train station is just 5 minutes' drive away.

You'll find all the essentials on your doorstep in Little Common, from a Doctors' Surgery to a Tesco Express, local newsagent and popular butchers.

Continue along the A259 and within 8 minutes, you're in Bexhill with its wider range of stores, cafes and restaurants.

For families, it's good to know that the area is well served by schools. There are two primary schools along with Bexhill Academy secondary school. The town is also home to St. Richard's Catholic College, Bexhill College, King Offa Primary Academy and All Saints C of E Primary School.

Feeling active? Highwoods Golf Club and Bexhill Leisure Centre are less than 10 minutes' drive. Or head to Egerton Park and the seafront. The beaches boast expansive views and are lined by a wide promenade dotted with cafes. Beach huts can be hired during summer and there is free parking year-round.

Bexhill is also home to the modernist De La Warr Pavilion. This iconic music and arts centre offers music, comedy, exhibitions and children's activities, plus a café bar and kitchen.

Woodhurst Grove is ideally located for the A21 and A259. It is also serviced by frequent buses with a stop at the development entrance.
