Dunkeld is located on Moorhouse road, just 3 miles from Carlisle City Centre.

This area is surrounded by beautiful countryside and offers plenty of walks. There are plenty of local villages, such as Grinsdale, Beaumont & Kirkandrews on Eden plus many others offering award winning pubs and local butchers. A choice of local primary and secondary schools are located close by.

Transport links are fantastic with easy access to the new Bypass offering direct routes north and south of the city. Carlisle is also perfectly located for travel north and south, being located on both the M6 motorway and Main west coast train line. London is only 3.5 hours, Edinburgh only 1hr 15mins

The property benefits from a spacious living room with large windows. A Log burning stove offers a nice centrepiece as well as providing additional heating for the room. A patio door gives access onto the decking area outside. A raised platform to the rear of the room offers a dedicated dining room space as well as a serving hatch through to the kitchen.

A separate room sits off to the side, currently used as a TV room but would equally work as an office space or play room.

The kitchen features country style kitchen units and a Belfast sink. A Stanley cooker sits in an alcove to provide your cooking needs with a traditional, built in, storage unit to the side. A gas burning hob is also provided for ultimate flexibility plus under floor heating for added comfort.

A stable style door provides access into the garden and offers fantastic uninterrupted views.

All rooms throughout the property benefit from high ceilings giving a real sense of space and light and this continues down the hallway, where you will find 4 double bedrooms and a family bathroom.

The primary bedroom is light and spacious, featuring an ensuite, complete with under floor heating, spa bath, shower and heated towel rail.

The family bathroom is well fitted and boasts electric underfloor heating, shower and towel radiator.

At the end of the hall you will find a second living room with large window and separate access door.

A generous laundry room is also located here with plenty of storage, and an access door into the garden making it a perfect space for coats, boots and muddy paws. Access to the garage is also provided from this room.

The garage is a great space with double entrance doors, electric and Velux windows providing natural light. The pitched ceilings offer space to store items overhead and this space would easily make a fantastic workshop or home gym in addition to having space to store a car.

Dunkeld has plenty to offer outside, sitting in just over 0.7 acres. The gardens surround the property.

A shared track leads you up to the property with plenty of parking available. The gardens are blessed with beautiful mature trees and plants.

Stunning views are all around as the property is surrounded by fields and countryside.

A dedicated vegetable patch is allocated in the rear corner of the garden with an outside tap. A large concrete pad is also located here where a workshop stood previously. Electricity is available here so this space would be perfect to add a new workshop or garden room.
