THE CAPITAL AND BEYOND

London Square Croydon is brilliantly well-connected between two stations offering fast trains, London Overground, trams and buses with great access to the capital and beyond. The excellent links to central London and the South combined with easy travel to Gatwick Airport create an amazing business hub with fast routes to local and international destinations.

EASY CONNECTIONS

West Croydon, on the East London Overground line and rail and tram network, links directly to the creative hubs of Shoreditch and Hoxton as well as Canada Water. From Canada Water it is one stop to Canary Wharf or two to London Bridge, where the buzzing restaurants and bars around Borough Market await. And with lots of convenient bus routes taking you as far as Wimbledon the whole of the south is easy to get around.

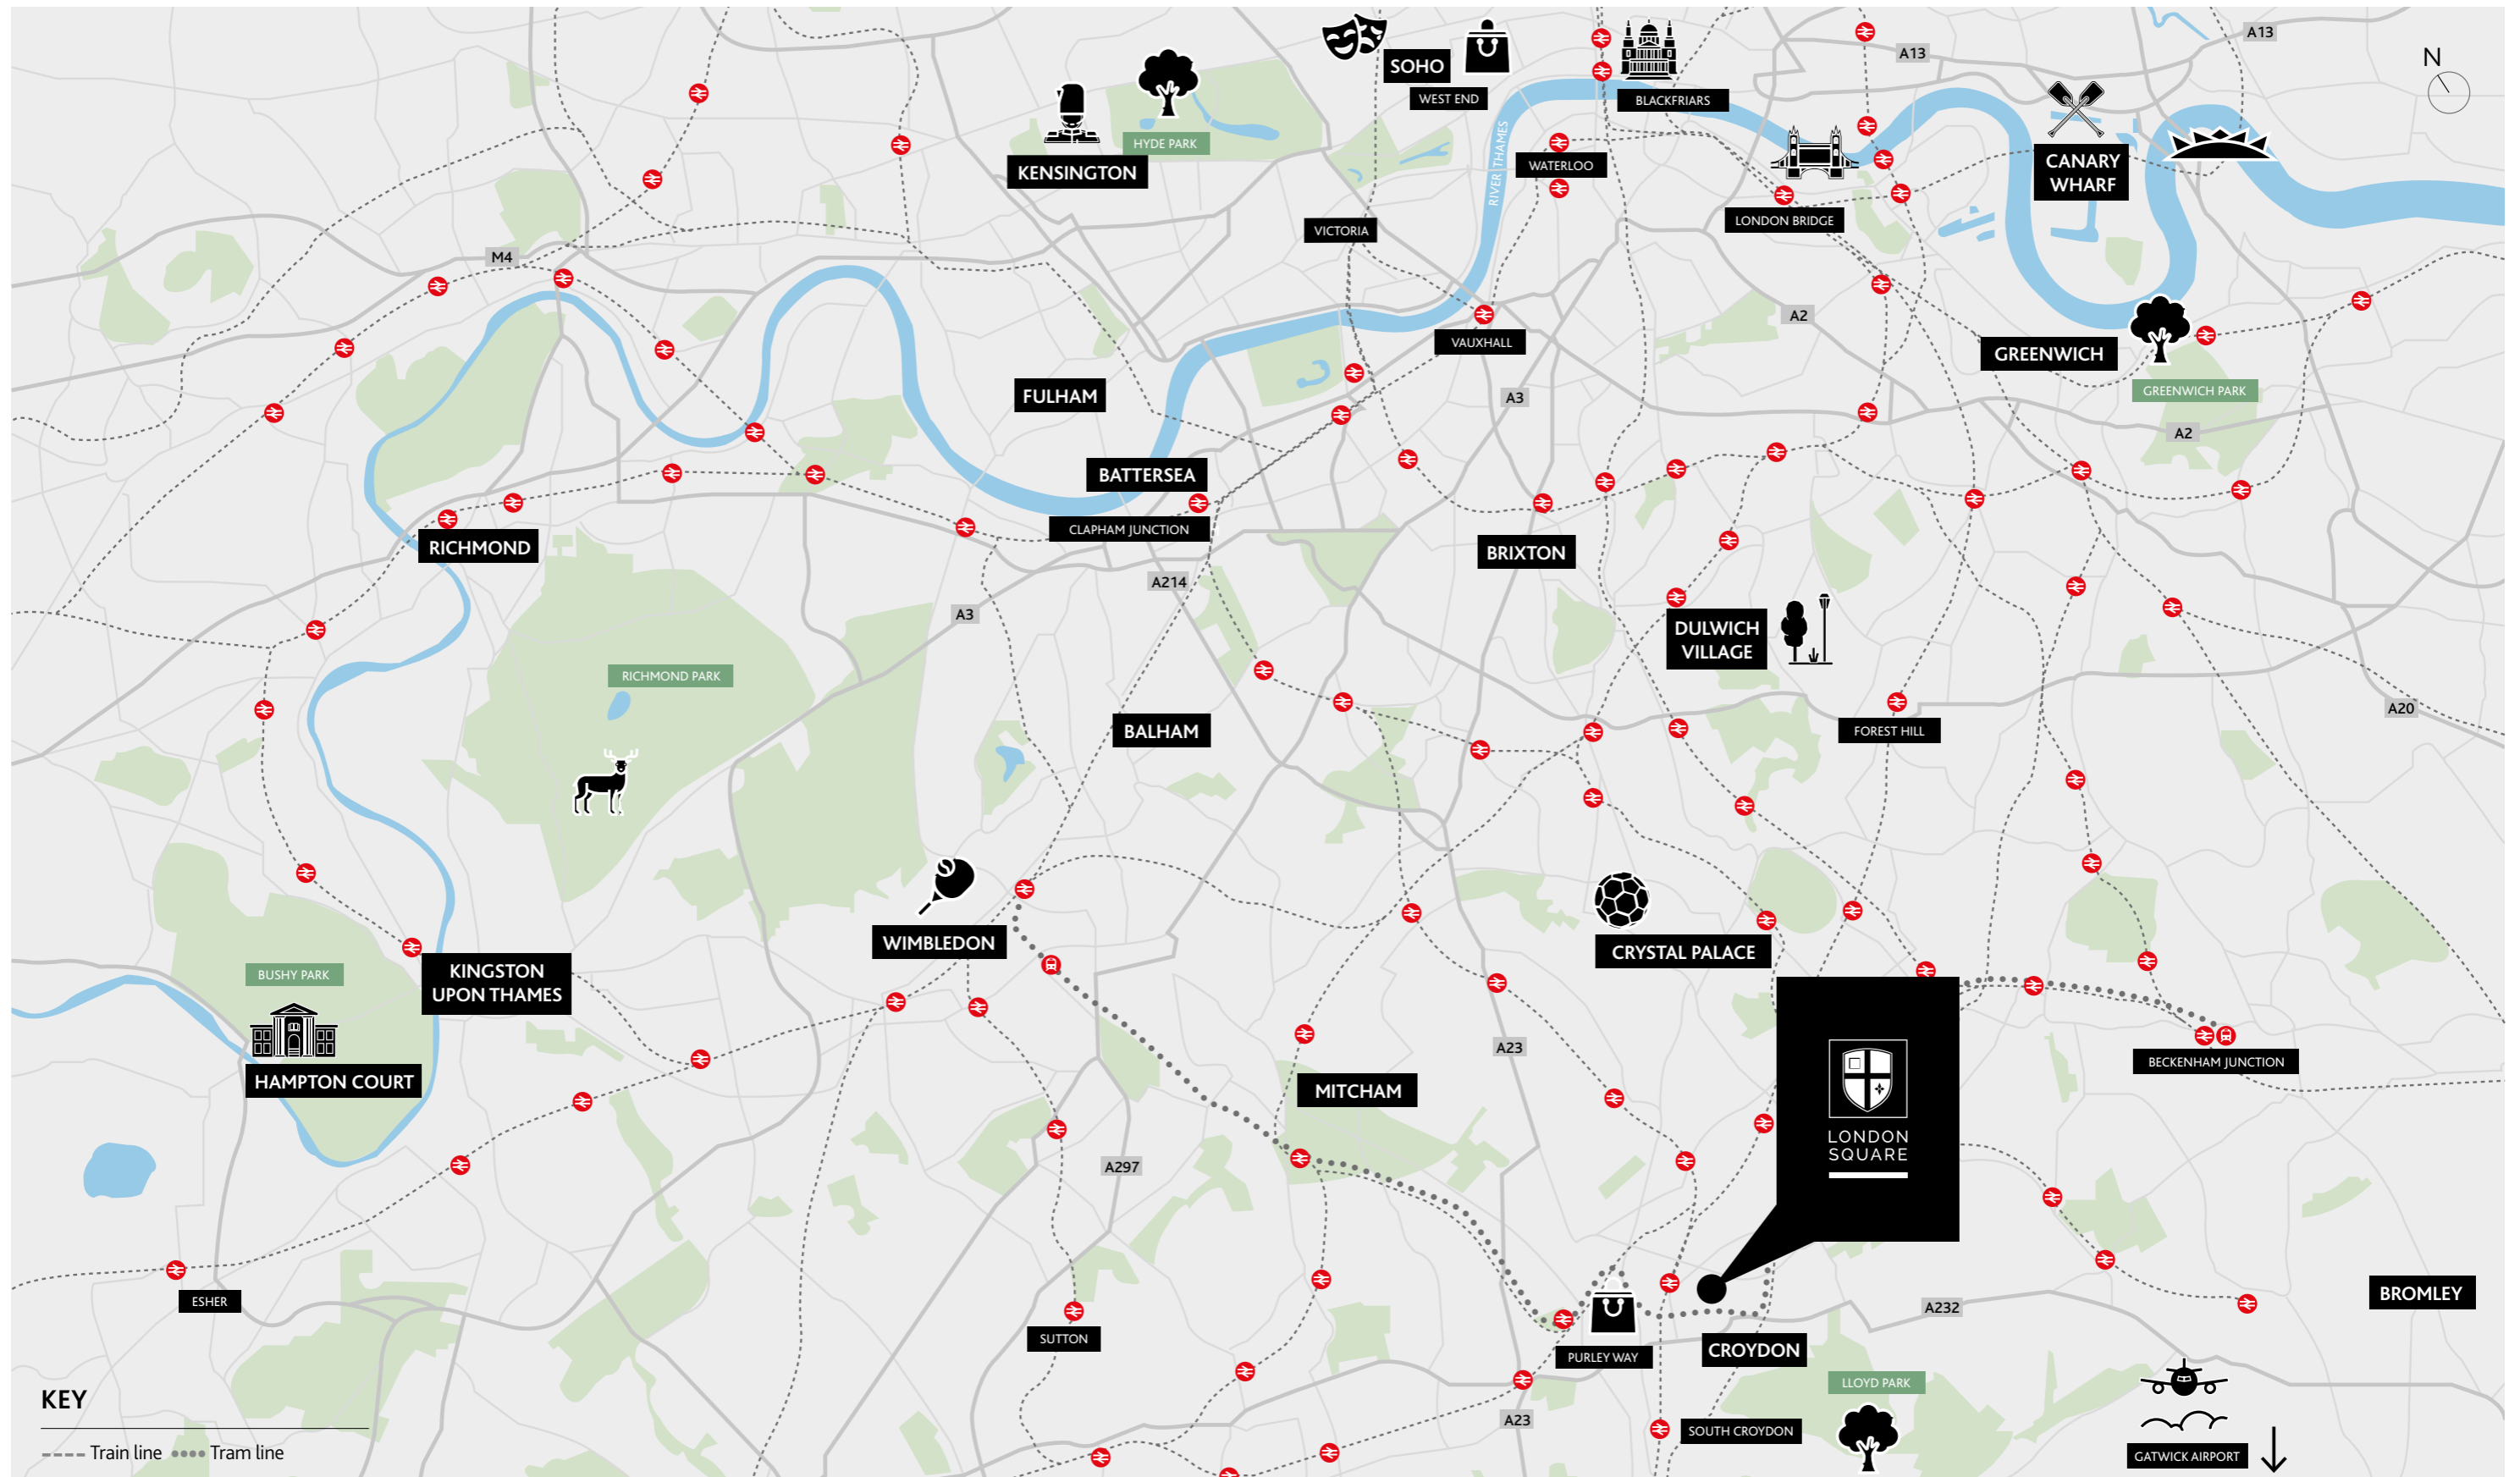

LONDON MADE EASY

For the fastest trains into central London, head to East Croydon station. Train journey times from here to both London Bridge and London Victoria are just 14 minutes. From London Victoria you are just minutes from the capital's iconic landmarks and famous parks, while London Bridge is a thriving business and cultural hub with More London and the London Bridge Quarter.

DOCKSIDE HUB

Easily accessible from Croydon via the Overground and Jubilee Line, Canary Wharf is London's most important financial district. But it's much more than a business hub, with renowned river view restaurants, bars and a wide selection of shops making the most of the Docklands setting. The new Elizabeth Line at Canary Wharf will also open up even more of London to Croydon.

WE ARE LONDON SQUARE MAKING LONDON GREATER

**WE ARE DEDICATED TO MAKING LONDON EVEN GREATER.
FOUNDED IN 2010, OUR NAME WAS INSPIRED BY THE ETHOS
OF LONDON'S FAMOUS SQUARES – LANDMARKS RENOWNED
FOR THEIR LEGACY AND COMMUNITY.**

Respecting the past and inspired by the future, we are committed to providing exceptional properties with our innovative approach to design, build and customer service, winning awards across the industry and making places where people really want to live.

We are proud to be at the heart of delivering much-needed new homes and communities – revitalising forgotten, neglected corners of Greater London and beyond in key commuter locations. Our sites are in well-connected districts, close to good transport links and local amenities. They range from apartments for first-time buyers to smart family homes, from grand restorations and conversions to contemporary, destination developments.

Our customers inspire every part of our process, they determine where we build, how we build and, above all, why we build. Every home encompasses inspiring architecture, clever design and specification and the highest standards of energy efficiency.

Creating a sense of place is embedded in every London Square development, with attractive landscaped gardens and open spaces, often with new shops and offices, redefining and helping to transform neighbourhoods and contributing to the local economy.

We work with existing residents, schools and businesses to make our developments part of the local fabric, encouraging thriving communities to flourish to make a positive difference to people's lives – embodying the spirit of London Square.

Adam Lawrence – Chief Executive

WHEN I LAUNCHED LONDON SQUARE, I SET OUT TO CREATE A COMPANY WITH STRONG VALUES EXEMPLIFYING WHAT I CALL 'OLD SCHOOL PRINCIPLES'. A COMPANY WITH EXACTING DISCIPLINES AND THE HIGHEST OF STANDARDS.

My inspiration was London's beautiful squares, created by the great architects of the Capital. I wanted to reflect the sense of legacy and community created over the centuries by these prized green pockets, fringed by homes where people really want to live.

We have just marked our 12th anniversary and a decade of development has given the company our own heritage of 16 award-winning schemes and more than 50 glittering prizes.

We are delighted to present London Square Croydon, our landmark new development and landscaped public space, creating an impressive centrepiece for the area - right opposite West Croydon station.

It will feature two handsome brick buildings for a superb choice of new homes, commercial space, with shops and offices at street level and a new public square opening up views of the listed St Michael and All Angels Church. Pedestrian links will also be created to the station and new shopping centre - reflecting our ethos of building homes where people want to live in vibrant, flourishing destinations.

When I look at a map of the capital and the commuter belt of Hertfordshire, Surrey, Kent and Essex - there is now a little bit of London Square in most boroughs - and that makes me very proud.
