This two bedroom first floor retirement apartment in St. Nicholas Court is perhaps one of the most stylishly presented retirement apartments that we have seen in recent years. Make your way up the plush carpeted staircase to find an open plan space featuring a large well designed kitchen, opening to a smart modern sitting room overlooking the well tended communal gardens. Moving through the property, the second bedroom has been fitted out as a well appointed dressing room with fitted storage and full length mirrors, but could easily be used as a second bedroom if needed. The main bedroom is a good size and looks over the gardens. The kitchen and bathrooms are recently refitted and immaculately kept, clean and well presented in keeping with the apartments white neutral décor.

St. Nicholas Court was built in 1986 of traditional brick construction and consists of 28 one and two-bedroom apartments in two two-storey buildings overlooking landscaped gardens. Facilities include a resident manager, lounge, laundry and emergency alarm service, access to the courtyard gardens and there is parking in the central courtyard. A viewing is highly recommended.
