DESCRIPTION

Ayrshire House is an immaculately presented and attractively appointed sandstone and brick period barn residence which has been converted with immense taste and skill providing spacious 4 double bed roomed accommodation in excellent decorative order throughout.

At present, the property offers well-proportioned accommodation on two floors with an attractively appointed lounge, extensive fitted kitchen with utility off, 2 ground floor bedrooms (able to be used as alternative accommodation if required) and 2 first floor bedrooms with an en-suite shower room to the master.

Whilst great care has been taken to retain as many original features as possible including exposed ceiling and wall timbers, and exposed brick walling to various elevations, modern day requirements have been provided to include full oil fired central heating, double glazing, an oak fitted kitchen and a double garage.

Attractive easily managed lawned gardens surround the property on three sides which are private and able to be further landscaped according to ones individual requirements. There is a pleasant paved secluded patio/barbeque area to the rear of the property.

The sale of Ayrshire House does, therefore, provide an increasingly rare opportunity to purchase such a well-appointed and tastefully converted period barn residence with surrounding gardens in such a private yet convenient edge-of-village location.

The agents, therefore, strongly recommend an inspection as it should be of great interest to those seeking an individual or one-off type of property.

Whilst enjoying these amenities the nearby centres of Ellesmere* (5 miles) and Wem (5 miles) are, also, within easy motoring distance, both of which, have an excellent range of local shopping and recreational amenities. The county town of Shrewsbury* is also only 12 miles away.

* Served by a regular bus service from the village.
