We are delighted to market this beautifully presented two bedroom retirement apartment. Located on the first floor and occupying a corner plot this apartment is bright and sunny. The apartment is serviced by a lift. This development is specifically for the OVER 55's. The property is offered for sale with NO ONWARD CHAIN.

Roman Court is found tucked away in a quiet cul de sac near to the centre of Borough Green. For convenience, residents have access through a locked gate directly into Station Approach. This makes the Co-Operative store, the train station and the high street, shops and facilities only a short and easy walk away. As this apartment is located at the rear of the development above the communal gardens it is very quiet. Parking here is easy also having many residents and guests parking spaces available.

As you enter the development you will notice how well maintained and spotless the gardens and communal areas are and there is a resident warden who ensures the complex is well run. There is a spacious communal lounge area that residents have the use of for social gatherings and coffee mornings. Another feature of this development is that there is a dedicated guest room for family and friends who may wish to visit and stay over.

This spacious apartment has been beautifully decorated and well maintained by the current owner.

The entrance hallway has a large cupboard which offers plenty of storage space for coats and shoes. There is also an entry intercom system for peace of mind.

The apartment has had modern double glazing and because of the size of the windows all the rooms have a bright and airy feel. The lounge is well-proportioned and beautifully decorated. There is a double aspect and a large bay window which makes the room feel open and bright. The room is large enough to accommodate a dining table and chairs. An archway leads through to the well fitted and stylish kitchen which has a good selection of cupboards and work top space.

The double bedroom has a good selection of fitted furniture providing plenty of storage space. The second bedroom is single room and has had well designed storage units fitted. The bathroom in keeping with the rest of the apartment is spacious and well-presented and has a walk in shower.

The communal grounds are kept beautifully and there is a sunny patio and lawn area which is enjoyed by the owners and is a wonderful place to socialise over a cup of coffee and meet new friends. If you want some privacy then the communal gardens stretch around the development for you to be able to find your quiet spot in the sun. When the weather is not so fair enjoy a cup of coffee in communal lounge.

Borough Green is a popular village with a good selection of local shops and cafes all within walking distance. There is a library and medical centre as well as a large recreation ground. The mainline station with services to London Bridge, Charing Cross and Victoria is opposite the development. There are good transport links with the M20, M26 Motorways just a short drive away.
