Dear Jeremy

PLANNING APPLICATION 00959/2013 – LAND AT ST ANDREWS ROAD, TAVISTOCK

I write further to our previous conversation when you advised of your recommendation to refuse planning permission for this proposed development. Having reviewed the current position the applicants would like to withdraw this planning application, and I would therefore be grateful if this could be done with immediate effect.

We would clearly welcome sight of your draft report/reasons for refusal that we understand was prepared for members, so that we can understand more precisely the issues that were of concern to you. I would be grateful if a copy of this document could be provided by return.

Should you require clarification of any matter then please contact us.

We would be grateful for confirmation that this application has been withdrawn as requested.

Yours sincerely

Andrew Ross
Associate Director
