Property Overview: The property is located in Kendal, known as the Gateway to the Lakes, and is easily accessible from Junctions 36 and 37 of the M6 motorway. Kendal's train station connects to Windermere and Oxenholme mainline train, offering travel to London in under three hours.

Heron Hill is popular with families due to its proximity to both primary and secondary schools. Nearby amenities include doctors' surgeries, Kendal Leisure Centre, and an ASDA supermarket, all within a short distance. A nearby bus stop provides regular service, enhancing the convenience of this desirable location.

As you pull up onto the driveway and step to the front door, you are greeted by a spacious entrance hall with stairs leading to the first floor and a door on your left opening into the spacious dining kitchen. There is an under stairs cupboard for storing everyday coats and shoes.

The dining kitchen is fitted with a range of pale maple-style base, wall, and drawer units with countertops, an inset composite sink with half bowl and drainer, tiled splashbacks, and under-unit lighting. Kitchen appliances include: an integrated gas hob with extractor hood, an electric oven, plumbing for a washing machine, and space for an upright fridge freezer and a good-sized table and chairs. Additionally, there is a cupboard housing the Vaillant boiler. Aspect to the front from a double glazed window.

The lounge can be found at the end of the entrance hall and is bright and airy, thanks to the double-glazed patio doors leading to the landscaped rear garden, and a further window. It features a central wooden fire surround with an inset electric flame-effect fire.

Heading upstairs, you'll find a landing with access to the partially boarded loft, ideal for storage. Bedrooms one and two are both double bedrooms, overlooking the front and rear and useful storage. Bedroom three is a good-sized single with a pleasant outlook to the rear garden, this room may also be suitable to a prospective purchaser as a home office.

Completing the interior is a modern, stylish bathroom featuring a panel bath with a shower over, WC, and pedestal wash hand basin. The bathroom is tiled and equipped with an extractor fan and a heated towel rail.

Outside, at the front of the property, there is a tarmac parking driveway with space for two cars. The rear features an enclosed garden with a sloped pathway leading to a rear access gate. The garden is laid with low-maintenance, artificial grass and a timber shed for storage for gardening items. The garden is enclosed and particularly safe for children and pets.
