Through decades of building award-winning new homes in Cumbria, Lancashire and beyond, we've learnt what matters to you most. Location, lifestyle, quality and individuality... the same things matter to us.

We take pride in our new developments, and in our people. We also value the confidence of our home buyers. That's why we're proud to share the recognition we've received for building quality, innovative design and dedicated customer care - it's something we strive for every day.

The Consumer Code for Home Builders was introduced in April 2010 by the house-building industry. It is there to make the home buying process fairer and more transparent for purchasers. Find out more at: [www.consumercode.com](http://www.consumercode.com)
