Enjoying life in Fulwood & Preston

Awarded city status to celebrate the 50th Jubilee of Queen Elizabeth II, Preston is a vibrant and growing city in the heart of Lancashire. Nestled on the banks of the River Ribble, with the Forest of Bowland forming the backdrop of the city, Preston has a host of local beauty spots to discover.

Brockholes Nature Reserve is a firm favourite amongst locals with over 250 acres of nature reserve to explore, and often features outdoor theatre productions, weekly pram walks for new parents and The Kestrel Kitchen for hot drinks and homemade snacks. There is also the variety of the Preston Guild Wheel, a 21-mile trail which surrounds the city, providing plenty of activity opportunities for those who enjoy being outdoors.

Preston City Centre offers a host of attractions for those who prefer more lively entertainment, from a high street filled with brand names and independent shops alike, to art and culture attractions such as the Harris Museum. The city also has a Marina, complete with further eateries, a cinema, gym and out of town shopping.

The local area around D'Urton Grange is dotted with popular pubs and eateries. Just a short walk away is the Anderton Arms, where you can experience the warm sense of community whilst enjoying the great food, service and broad selection of ales.

Location & Lifestyle

Where we decide to build our homes is important to us as we know there's more to creating the perfect home than just the property itself. Our locations are chosen to continue the strength of local community and to meet your modern lifestyle expectations.

Our offer is always to believe that everyone should have the opportunity to purchase their own home, and so we offer a range of purchase options including Shared Ownership as a method to purchase your very own home.

Transport

For commuters, D'urton Grange is well connected to all major routes. The M55 motorway, a few minutes' drive away, provides access to Blackpool, while the M6 connects Lancaster and Manchester. Locally, the A6 connects Fulwood to the rest of Preston and further afield to Lancashire. Fulwood is served by regular bus services to the city, and Preston Railway Station provides links to London, Glasgow, Liverpool and Manchester.

And with less than an hours drive to both Manchester Airport as well as Liverpool John Lennon Airport you have the international door step close by.

Shopping

Locally, there are several convenience stores close to D'Urton Grange, including a post office, banks and a handful of small shops. Over at nearby Fulwood Retail Park, you'll find popular high street names including Aldi, B&M and Costa Coffee to name but a few.

Head a little further afield into Preston, and you'll be spoiled for choice. There are two main shopping areas in the city – Fishergate and Friargate, with two large indoor malls.

Preston Market provides a modern shopping experience under the restored 1875 Market canopy. The Market has been updated to include a market hall, outdoor market and for the eco-conscious shopper, market stalls selling thrifted clothing and reclaimed furniture, as well as the innovative Box Market trading from upgraded shipping containers.

Leisure and Attractions

For location, D'Urton Grange couldn't be better placed. You'll have the delights of the city of Preston within easy reach while The Cockshott, Holland and Mosney Woods are all within a short distance from the development, offering tranquil, traffic-free walks through ancient woodlands, a popular spot for runners, walkers and dog walkers.

Preston City Centre hosts a range of cafés, bars and shops to enjoy. Or take a stroll around the Harris Museum, Art Gallery and Library, where you'll be immersed in a stunning collection of art and historical objects.

If action-packed fun is more your style, Preston has a great selection on offer, including indoor Go Karting, wall climbing and Level, the largest entertainment complex in the city, also offering ten pin bowling, laser tag, crazy golf, an assault course and private karaoke rooms.

And if that doesn't tempt you to Preston, view the city's beauty from a new angle with the Ribble Steam Railway and Museum.

Education

At Laurus, we understand the importance of education, and being close to excellent schools is a key factor for many families when considering buying a new home.

Fulwood offers your little one's exceptional education with six Ofsted 'Outstanding' schools right on your doorstep.

For high schools, Broughton High School has built upon the traditions of high academic standards within a caring and supportive environment, which has earned it an 'Outstanding' grading from Ofsted and remains a popular choice in Fulwood.

Why buy a new home?

There are several advantages of buying a new build home that an older property simply doesn't offer. Not only can new build homes offer a variety of ways to buy, but they are also designed for modern-day lifestyles.

Options to buy

Shared Ownership

As a government-backed scheme, Shared Ownership offers you the chance to buy a share of your home between 25% and 75% of the home's value and pay rent on the remaining share. Buying a share of your home means you can often have a smaller deposit and mortgage.

It can be an ideal way to buy a home for first-time buyers, as well as those who have owned a home in the past and now wish to get back on the property ladder.

The Benefits of Shared Ownership:

A smaller mortgage

Through Shared Ownership aspiring homeowners can buy a 25 to 75% share of a new build home and pay reduced rent on the rest meaning a smaller mortgage and you'll pay a reduced rent on the rest.

Stamp Duty savings

When buying a property through Shared Ownership, you don't have to pay stamp duty on the shares that you buy*.

A smaller deposit

Through Shared Ownership buying a 25% share of a £250,000 home would require a deposit as low as £3,125 (5% of a 25% share of a home).

Owning 100%

Staircasing to home-ownership:

Staircasing is when you are increasing the share of the property you own gradually over time, until you eventually own 100% of the property. The cost of these additional shares is calculated by the market value of your home when you begin the process.

Your home

Because you're buying your home you can personalise it and make it your own.

* You can claim a discount (relief) so you do not pay any tax up to £300,000 and 5% on the portion from £300,001 to £500,000. You're eligible if you, and anyone else you're buying with, are first-time buyers and you complete your purchase on or after 22 November 2017. If the price is over £500,000, you follow the rules for people who've bought a home before. Subject to Government policy as of April 2020 and is subject to change. Speak to your Sales Advisor for more information.

Making a difference in your community

At Laurus Homes, we do more than just build homes. We strive to create neighbourhoods that benefit the community and the wider society, and we put this at the heart of everything we do.

Our community-focused and profit-for-purpose approach to every project mean we make positive differences in people's lives and act as a catalyst for regeneration. In practical terms, this means we use our resources to lend a helping hand through affordable housing and community projects. We think everyone deserves a special place to live, so we design homes for all.

We re-invest our profits to achieve social, community and environmental benefits, meaning we grow the communities we need, where you need them.
