Old Catton is a popular north suburb of Norwich, benefiting from a range of local amenities including shops and schooling. There is a regular bus service into the city of Norwich with a Park and Ride facility at Norwich International Airport which is close by.

SETTING THE SCENE

The property sits right on the edge of this popular development on the outskirts of Old Catton, neighbouring the airport and is approached via a large lawn frontage with a main access door and awning found to the right of the access road which leads you towards the private parking at the rear of the property where two allocated spaces can be found.

THE GRAND TOUR

Heading through the communal entrance to the first floor, the property is immediately to your left at the top of the stairs. The central hallway grants access to all living accommodation and also benefits from a much larger than average storage cupboard to your left, ideal for coats, shoes or any other items to be stored. Walking through the carpeted hallway, you are first met with the largest of the two double bedrooms with a front facing aspect and all uPVC double glazed windows. This generous room offers ample floor space for a large bed and additional storage furniture with tall windows allowing the room to bask in natural light. Sitting next door to this room is the smaller double bedroom, still a generous size and also with a front facing aspect. This room has a low level radiator below the window, carpeted flooring and currently serves as a study, but would make a brilliant double bedroom, home office or nursery if so desired. The three piece bathroom can be found with wooden effect flooring underfoot and part tiled surround towards the rear of the property where a rainfall shower is situated over the bath with a frosted glass window and radiator. The main living accommodation is a brilliantly spacious and open dual aspect space offering versatility with a welcoming feel.

To your right, the kitchen and dining area has wooden flooring underfoot plus an array of wall and base mounted storage set around rolled edge work surfaces giving way to an integrated four ring gas hob and electric oven with extractor above. This space also offers the ability to have a formal dining table or breakfast bar such as is currently the situation. Turning to your left you are led to the carpeted flooring area that is the sitting room, again with a large almost floor to ceiling uPVC double glazed window overlooking the frontage allowing this space to be well lit no matter the time of year and decorated with a neutral but immaculate décor throughout.
