John German 

There is a front reception hall which leads to a dining kitchen having an attractive range of high and low level units with contrasting granite effect work surfaces and a stainless steel one and half bowl sink and drainer. Integrated appliances comprise gas hob with stainless steel extractor canopy and splash plate, oven, microwave and a fridge/freezer. There is space for a dining table.

The delightful dual aspect lounge has a marble fireplace and an attractive contemporary style electric fire.

There is an inner hall, and off which leads three very pleasant and well proportioned bedrooms. The second bedroom is currently used as a second sitting room.

The shower room has a double width shower, WC and wash hand basin with integrated cupboard beneath, chrome towel radiator, superb full height tiling and a linen cupboard.

The property stands back from the road behind an ornamental stone fore garden and a drive which gives access to the garage. Gated side access leads to a covered area which gives access to the kitchen.

To the rear of the property is a paved sun terrace and a central path with two lawned areas and established borders either side, leading to a wild garden. There is a garden shed and a further lawn to one side with access to a bike shed and a personal door to the garage.

The bungalow is situated in one of the most sought-after areas of Stafford and indeed a great location with local facilities within a couple of minutes' walk away. Stafford also has an intercity railway station where there are regular services operating to London Euston and some of which take only approximately 1 hour 20 minutes. Junction 13 of the M6 provides direct access into the national motorway network and M6 toll.
