The interior boasts a large eat-in kitchen, while the lounge at the rear of the house opens up to the private garden through double doors, creating a seamless indoor-outdoor flow. The spacious garden, mostly laid to lawn is ideal for entertaining summer BBQs and the convenience of enjoying a refreshing swim in the sea just moments from your doorstep.

Outside

As you approach the front door there is block paving that continues round the side of the house giving access to the garden. Rear garden is private, fully enclosed and mostly lawn with a good sized patio off the lounge. There are two side by side parking spaces in the gated underground car park and then plenty of visitors spaces just before the development.
