DESCRIPTION

**A significant Grade II listed Georgian Farmhouse set in over 3 acres of land and grounds and located within the very centre of Irton village.

Rosary House is an attractive stone property which dates to the early 17th Century. The farmhouse has been in the same hands for over 50 years and has recently undergone a number of significant improvements, with work carried out including the repointing of the external stonework. The property is Grade II listed and retains a number of attractive period details, coupled with exceptionally well-proportioned room and a layout of accommodation which flows especially well as a family home.

The house comprises the following accommodation amounting to over 2,000 square feet in total. In brief; entrance hall, large triple aspect sitting room and a cosy front facing snug. A generously proportioned dining room opening into the rear hallway and through to a classic farmhouse kitchen with adjoining pantry. There is also a utility room, cloakroom and shower room to the ground floor. To the first floor, large landing, master bedroom with an adjoining occasional bedroom, useful as a nursery or dressing room, three further large double bedrooms, the house bathroom and a storeroom.

In all Rosary House sits in 3.18 acres, over 2.5 acres of which is grazing land, ideal for equestrian or small holding interests. The gardens are extensive, mature and largely laid to lawn making them comparatively easy way to manage. There are a useful range of outbuildings which adjoin the house, large double garage with workshop, a further agricultural building and field shelter to the land

Rosary House is located in the centre of the village but retain a very private feel. Approached through a five-barre gate and onto a generous parking area the house has an east/west orientation. At the front are extensive lawned gardens with an avenue of trees and high stone wall forming a shelter belt to the north, shielding the garden from the street.

The land extends to the south, stock fenced and with water to the field. There are lovely far reaching and virtually uninterrupted views northwards across towards the Wolds in the distance.
