Description

St Nicholas Building is a modern, well specified office building which was redeveloped behind a retained listed facade. The building provides column free space around a central core and two atriums which provide excellent natural light to the office space.

Male, female and disabled toilet facilities are located in the common areas on each level. The building also benefits from cycle store and shower facilities.

Location

St Nicholas Building is well located in the heart of the city with excellent pedestrian access to Newcastle Central Railway and Metro station, only a 5 minute walk. Due to its central location occupiers benefit from ease of access to the cities retail and leisure offering.
