URBAN LIVING REDEFINED

Introducing the Urban Houses at Horlicks Quarter. This exclusive collection is an integral part of the ongoing success of this iconic development, which brings energy and vitality to the heart of Slough.

At the centre of Horlicks Quarter is the Horlicks Factory which has been one of the most distinctive landmarks in the townscape. Today, the Horlicks Quarter and grounds have been sensitively regenerated to create a vibrant new community where refurbished historic buildings and new homes sit within carefully planned and curated landscaped gardens with tranquil water features.

The Urban Houses offer the rare opportunity to live in a striking home, redefining 21st-century living, and surrounded by excellent residents' facilities in a central location.

ICONIC LIVING BY DESIGN

With just eleven homes in this collection, the Urban Houses are a modern take on the classic townhouse terrace, with interiors crafted to meet the demands of today's busy lives.

Each Urban House has living spaces designed with maximum flexibility in mind. On the ground floor, there is an open-plan living space which will welcome all the bustle of modern family life. The upper floors offer generous bedrooms and flexibility for additional living space as required.

Perhaps the most intriguing feature is the split-level terrace, accessed through a spiral staircase from the second floor. From here, admire inspiring views across the Horlicks Factory with its iconic Clocktower and the elegant illuminated chimney.
