Taking Your First Steps With Bancon Homes

THE PLACE WHERE I

Belong

Moving home is a thrilling new beginning, a fresh chapter. It usually starts with a challenge. We've run out of space, we don't need the space, our family is growing, we want to own our first home and to get onto the property ladder, we can afford something a bit bigger, mum is coming to stay, the kids need space of their own, I need space of my own. The list is endless and personal to each of us.

We've been a family company for generations and we know just what makes families happy at home. Great space to be together, space to be apart. Great surroundings to take the dog for a walk, for the kids to play outside safely, plenty of fresh air, mature trees, a green place, a place to be healthy and happy – that sense of wellbeing you feel when everything is just right.

It's all about comfort. A gleaming kitchen with plenty of worktops, premium new appliances and space for a proper kitchen table, a separate study ideal for homeworking, a garden to enjoy when the weather is right, plenty of storage to hide away the boots, coats, school bags, Hoover, a beautiful bathroom – practical for the family with a bit of luxury for you, bedrooms with space and some with fitted wardrobes already built in.

All the little touches that say – this is a quality home built with craftsmanship by people who really care.

It's warm when you come home each evening to put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. The French doors open to the garden and lure the kids out so inside you can relax for a bit.

You don't have to think about your home because everything is just right. Life is for living. Weekends are for friends, sports, days out, nights in. Your home – the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.

The Perfect Place

TO PUT DOWN ROOTS AND GROW

When you find the perfect place that feels just right, it's a magical moment. The moment you know that you'll love living here, love having friends around and love being close to all that matters to you.

At Kinion Heights, you will find just that. Surrounded by beautiful countryside, yet only a short drive from Aberdeen City Centre, this beautiful development offers an enviable combination of city, country and seaside living.

GREEN SPACE AND FRESH AIR

The beautiful hills of Bennachie are just a short drive away with stunning views over the city and shire and a variety of paths for hikers and those who just like a walk. If you want a great place to take the dog, then Brimmond Hill is just 2 miles away with superb views over the city. Balmedie Country Park is also nearby with stunning coastal walks, great on a Sunday with a roast lunch to follow at the well known Cock and Bull. If you're more sporty there are some great golf courses nearby including Trump International. Leave home in the morning and you can be skiing in the Cairngorms before lunch. Within a short drive, you can enjoy all the facilities of Aberdeen Sports Village including an excellent gym, indoor football pitch, squash, athletics, badminton, hockey and a host of other fitness classes along with a stunning swimming pool.

BUSTLING CITY LIFE

You'll be spoilt for choice with the city on your doorstep. If retail therapy is your guilty pleasure, you're close to some great shopping with both boutiques and department stores. When you want to eat out, there is a great choice of restaurants, cafés and pubs to tempt you. The theatres are also nearby along with P&J Live, Aberdeen's state-of-the-art exhibition and entertainment venue, which is only ten minutes walk away, and hosts sporting events, concerts and shows.

For a family day out, take the kids to Codona's Pleasure Fairground, enjoy bowling, a host of indoor and outdoor games and rides, go ice skating or test your competitive spirit with crazy golf.

FRESH OCEAN AIR

Close to the beach, you'll find miles of sandy shoreline to walk the dog, feel the breeze on your face, spot ships or dolphins out at sea and just enjoy being outdoors. It's special because not everyone can go to the beach in the morning.

VILLAGE LIFE

The village of Kingswells is nearby with Urban Village and its swimming pool and gym facilities as well as Starbucks and a great informal restaurant. Kingswells also has a supermarket, post office, vet practice,

café, hair salon and doctors practice. Bucksburn is a short drive away with a supermarket, butchers, florist, library, medical practice, dentist and other convenience stores, all the things you'll need on a daily basis, right on your doorstep.

GETTING AROUND

Kinion Heights has superb connections. It is close to the centre of Aberdeen and the main train station with services across the UK. Dyce train station is also nearby while there are regular bus services along the A96 to the city centre and beyond. It's also no more than a ten minute drive from the Bridge of Don, Dyce, Kingswells and Westhill, making the commute to work stress free. The AWPR is also within easy reach, making it even quicker to travel outside of the city. The airport is just minutes away for travel further afield.

EDUCATION

Brimmond Primary School and Bucksburn Academy are in neighbouring Bucksburn, less than a mile away.

The local authority is Aberdeen City.

At Bancon Homes, we pride ourselves on the quality of our craftsmanship and include all the little things that you'll want as standard. There is no need to think about added extras when you buy a Bancon home as we've thought about them for you.

The kitchen is really the heart of your home, where you spend time cooking, chatting, kids at the kitchen table doing their homework, friends over for a casual supper. The kitchen is where it all happens. Family and friends gather there and there's plenty of space for everyone. Plenty of space too for cooking, from quick mid week suppers to big Sunday lunches, with streamlined work surfaces, great storage and all the best appliances.

Your kitchen is manufactured, installed and designed by Symphony and our designers work with them to create the perfect kitchen, whatever your lifestyle, with soft close drawers and stylish finishes. When it comes to taste, it's all yours and depending on when you reserve, you can choose the kitchen colours and finish that suits you best.

The kitchen comes complete with a single oven and an induction hob – heat when you need it, faster than gas, easy to clean, more energy efficient and more importantly, safe for the kids as the hob cools down quickly.

In your master bedroom you'll find beautiful fitted wardrobes ready to fill. There's no added extra cost. In the bathrooms and en-suites, you'll find the very best pristine white fittings with contemporary taps, large showers and Porcelanosa tiling.

Communicating inside your home is important but communicating with the rest of the world is key. We include superfast broadband in all our homes, making speed and connectivity easy, when you choose your broadband provider.

We pride ourselves on the level of individual customer care we provide, and our passionate team is committed to delivering an end-to-end personalised service throughout the entire buying process. It really matters to us that each and every customer is happy with their home. We know how important it is.
