THE GRAND TOUR

Stepping inside you are first met with the tiled entrance lobby with ample space for additional storage solutions currently housing a dining/crafting table to the side as well as access into handy built in storage cupboard. Turning to your left immediately you can find the main bedroom, a 19' dual aspect room with ample floor space for additional storage units, carpeted flooring with underfloor heating plus the benefit of an en-suite shower room featuring a corner shower unit, part tiled surround and frosted glass window. The second bedroom can also be found at this end of the hallway also with carpeted flooring underfoot with underfloor heating and a uPVC double glazed window overlooking the rear garden. Sitting between both rooms is the four piece family bathroom with corner shower unit, tiled walls and flooring with continued underfloor heating. The third bedroom can be found slightly further down the hallway, only slightly smaller than the second bedroom, this double room has carpeted flooring with views into the rear garden. Returning to the entrance lobby and turning right, you will find yourself within the kitchen/dining area with tiled flooring with underfloor heating underfoot leading to a range of wall and base mounted storage with tiled splash backs giving room to integrated appliances such as a gas hob with extraction above, integrated double ovens and a dishwasher with floor space for a formal dining table and a secondary access door to the rear of the hallway. Through from here is a handy utility boot room with additional storage and plumbing for a washing machine and inlet for a tumble dryer with side access door to the rear and front of the property.

Towards the end of the hallway is the fourth double bedroom currently functioning as an entertainment room with large uPVC double glazed window into the rear garden carpeted flooring with underfloor heating. This versatile room could function as a home office/study if required. Finally, situated at the end of the hallway, is the spacious and well lit sitting room with a dual aspect over the rear garden and feature fireplace. This room offers underfloor heating with ample space for soft furnishings and a formal dining table in front of the uPVC French doors leading directly onto the rear patio seating area.
