## STEP OUTSIDE:

The front features a lawned area, a pathway to the front door, and a gravel border encircling the property, with hedges ensuring privacy from the road. A driveway extends to a single garage equipped with an up-and-over door, plus a pedestrian door at the back for rear garden access. The garage boasts power connectivity and storage space under the eaves. The rear garden is primarily laid to lawn, complemented by an inviting patio area for seating, accessible via French doors in the dining room. Steps and raised flower beds, ingeniously fashioned from varnished sleepers, add a rustic charm to the garden. It is completely surrounded by wooden fencing, is not overlooked and has a park to the rear, instead of additional houses.

## SELLERS INSIGHT:

"From the moment we stepped into this house, we were captivated by its brightness. Since then, we've modernized and redecorated, enhancing its charm even further. It has served as the ideal home for our growing family, with excellent proximity to the A38 for commuting. Owing to personal reasons, we must relocate, and if it were possible to place this house on wheels and take it with us, we would. Unfortunately, that's not feasible, so we hope a new family will cherish living here as much as we have."
