Bittern View, Willington

Sam says:

"I loved this house as soon as I pulled up! The location is great, situated in a cul-de-sac in the popular village of Willington. Not only is the interior immaculate, but the garden has been beautifully landscaped too. As soon as you walk into the hallway there's a feeling of space. The kitchen, dining, living area is stunning and flows out onto the garden patio through bi-fold doors bringing the outdoors in. Also downstairs there is a lounge which runs front to back of the property with a window to the front and patio doors to the back allowing natural light to flow. There is a further reception room which is currently being used as an office, there is access to the garage from here too. There is a utility room and WC to the ground floor. Upstairs, again there is a sense of light and space as soon as you get to the landing. Bedroom one is just fantastic, having space for wardrobes and even a sitting area if you wish! It also benefits from an en-suite shower room. There is a further double bedroom with an en-suite, two more double bedrooms and one larger than average single bedroom being used as walk in wardrobes. Even the family bathroom is spacious and benefits from having a separate shower and bath. Outside to the front there is driveway parking for at least five cars and the back garden has been so thoughtfully landscaped, it is beautiful! This property really needs to be seen to appreciate what an amazing family home it makes!"

A message from the seller:

"Our first feeling when we moved in was how naturally bright, spacious and warm the house was and that feeling stayed ever since. We really enjoy socialising with family and friends in our open kitchen-dining area, and in our lovely south-facing garden with the opened bi-fold door bringing the inside out. A great house for entertaining! We also like walking by the nearby canal after work; a walk that often ends up with great food at one of the local pubs, stopping by the local grocery for some milk on the way back. Travelling to London and back on the same day is also one of our guilty pleasures. Thanks to next door Willington train station! We have no doubt you will love it here as much as we do!"
