Stylish double fronted modern family home, superbly positioned on the edge of the development, just across from Sense Valley Country Park. It boasts four great bedrooms, two bathrooms, sitting room, guest cloakroom, study, full depth living/dining kitchen and landscaped garden to rear.

This gorgeous home has an enviable position right on the edge of this popular development, literally across the road from Sense Valley Country Park with many walking trails, lakes and its abundance of wildlife. It is a great family home with social open plan living space centred around a contemporary stunning kitchen. There is a study, living room, and guest cloakroom on the ground floor, four bedrooms lie on the first floor, alongside two bathrooms with en suite to the principal room.

We start our visit in the central reception hallway with its gleaming polished porcelain tiled floor, stairs lead off ahead and a well-proportioned guest cloakroom lies to the side. The heart of this home is without doubt the stunning contemporary open plan living/dining kitchen. A truly social family space with a beautiful, well equipped high gloss kitchen with full height cupboards, complimentary countertops and a host of integrated appliances. Polished porcelain tiled floor runs underfoot and leads you into a dining area and on into the informal seating area where there is plenty of room for a large comfy sofa. Sunlight streams into this living space from the picture windows to the rear, and French double doors take you out onto the landscaped garden. For those who work from home, there is a very useful dual aspect study and a well-proportioned living room adjacent which just like the kitchen, has the benefit of French double doors opening out onto the rear patio area.

Upstairs off the landing you will find four bedrooms and the family bathroom. The principal bedroom has fitted wardrobes along one wall and a beautiful aspect across to the trees at Sense Valley Country Park. It also has the benefit of its own private en suite shower room with double width tiled shower enclosure with mains shower above, pedestal wash hand basin and WC. Of the three remaining bedrooms, two are great sized doubles and the fourth could easily accommodate a double bed if required. The family bathroom is fitted with a white Roca suite comprising panelled bath, WC, pedestal basin with mixer tap, tiled floor and half height attractive tiling to two walls.

Outside, as previously mentioned the property sits at the very edge of this popular development and as such enjoys a great location with easy access across the road to Sense Valley Park. A driveway provides off road parking for multiple vehicles alongside access to a single garage. Gated side access takes you into the rear garden which for a modern home enjoys the unusual benefit of fabulous privacy. It has been landscaped with an extensive paved patio area, sleeper edged borders, raised planter beds and a shaped lawn with gravelled walkway.
