£750,000

A large and impressive detached family home with approximately 0.5 acres of mature gardens and a superb frontage with electric gates to an in and out driveway, extensive parking and garaging.

With open fields and woodland to the front and side, this large and individual detached dormer bungalow occupies a choice semi rural location but is still conveniently close to all amenities in the neighbouring areas of Essington, Springhill, Great Wyrley, Cheslyn Hay, Bloxwich, Cannock and Wolverhampton. Junction 10a and junction 11 of the M6, the M6 toll road and the M54 motorway are all conveniently accessible and are the gateway to the West Midlands and beyond.

The property is gas centrally heated throughout and offers a wide storm canopy porch that gives covered access to the main front door. A large and impressive reception hall gives a centre point of access to all principal rooms together with a staircase to the first floor and a walk in cloaks storage cupboard.

The main reception room is a rear facing family lounge which has a garden facing window and double doors that lead into an impressively spacious conservatory - large enough for sitting and dining room furniture.

The heart of this home is the family sized kitchen which overlooks the rear garden and has direct access to the conservatory. It is fitted with a full range of classically styled traditional units with granite worktops and centre island plus a full range of built in appliances to include two ovens and a microwave, gas hob and extractor hood, American style fridge freezer, dishwasher and wine cooler. There is a fully tiled floor and double doors that lead to a side terrace and pergola seating area.

Leading off the kitchen is a well appointed utility room with a store room and guest's cloakroom.

There are currently four bedrooms within the property but this could be increased to five if the first floor master bedroom was re-configured.

On the ground floor there is a front facing double bedroom with built in wardrobes and fittings together with a three piece en suite shower room.

Also on the ground floor is a further double bedroom (shown as a dining room in the photographs) with a walk-in wardrobe and a very pleasant rear garden aspect. This bedroom is also conveniently placed for the ground floor bathroom which offers a part tiled room with bath and shower over, low level WC and wash hand basin.

On the first floor there is a light and bright landing which gives access to the large master bedroom suite that has dormer windows to the front and rear, built in wardrobes and a separate walk in dressing room plus a spacious en suite shower and bathroom.

Also on the first floor is bedroom four that is currently furnished as a child's single room with built in wardrobes and its own three piece en suite shower room.

Outside - A double garage has two up and over doors, internal access door, access door to the garden, electric light and power points and a sectioned off workshop area that also houses two gas combi boilers and the hot water tank.

The property has the benefit of a very wide frontage to Long Lane and has an exceptional sized in and out driveway, two sets of electric gates and parking for many cars.

The front and rear gardens are approximately 0.5 of an acre overall and are very established that offer a pleasing blend of lawns, hard paved terraced and patio areas, shrubbery, perennial and herbaceous planting, a secluded cabin den, brick built barbeque and quite simply would be heavenly for children and adults alike!
