Property description

An opportunity arises to acquire a modern, end of terrace property located within a housing development (completed in 2016), which provides spacious accommodation over two levels. In good condition throughout, this property benefits from a spacious lounge, modern dining kitchen, bright décor throughout as well as being fully double glazed with gas fired central heating. This property also benefits from a ground floor WC as well as a ground floor office/study which can easily be reverted to a wet room. There is also an easily maintained, enclosed garden ground to the rear as well as off road parking to the front. This property would be an ideal first-time purchase or buy-to-let investment. Viewing is thoroughly recommended.

The property which is located within easy reach of the town centre and all amenities is of traditional construction under a tile roof. As well as benefiting from both a WC on the ground floor as well as a bathroom on the upper level with two spacious double bedrooms. It is situated adjacent to other properties of varying style with an outlook to the front to neighbouring properties and to the rear over the garden ground, houses and the local secondary school.

The surrounding area is one of natural beauty and there is an abundance of outdoor leisure pursuits within easy access including walking, fishing and excellent golfing facilities. The pretty coastal villages of the Isle of Whithorn and Garlieston are within easy reach and where there are further facilities for boating and sea fishing. The well-known Book Town of Wigtown is only 7 miles distant and a wider range of facilities, including larger supermarkets and secondary schools, can be found in Newton Stewart and Stranraer (25 miles).
