WELCOME TO ALL SAINTS VIEW

“AN EXCLUSIVE DEVELOPMENT OF JUST 8 BARN STYLE HOMES”

An exclusive collection of eight luxury barn style homes nestled within one of north Norfolk's most charming villages.

Set at the end of an impressive mature tree lined, gravel drive, is a delightful secret ready to unwrap and enjoy, representing the very best of north Norfolk's rural architecture.

Built using the finest quality materials coupled with exceptional craftsmanship, All Saints View offers beautiful traditional features, whilst benefiting from the comforts of a new home.

Woodson Homes have achieved the most harmonious street scene, whilst paying close attention to, and celebrating the characteristics of each individual home.

A design led approach, lifestyle is at the heart of these homes, each space has been meticulously created with the prospective residents in mind, whilst offering an uncompromising specification throughout.

Embedded within the pretty village of Kettlestone with easy access to the glorious north Norfolk coastline, delightful market town of Holt, or the city of Norwich, All Saints View is the perfect choice to experience all that Norfolk has to offer.

HOME IN THE HEART OF NORTH NOROFLK

A small vibrant village complete with a church and village hall, nestled between the River Wensum and River Stiffkey- Kettlestone is within easy reach of the Georgian market town of Holt, with a wider range of shops, pubs and restaurants, as well as the sought after Gresham's School; There is no need to hurry home, relax and enjoy the best of beach and country life.

For local amenities, the Market town of Fakenham is just a stone's throw with its shops, banks, cinema and weekly market, amongst many other local businesses and workshops.

The north Norfolk coast is within easy driving distance with its sprawling sandy beaches, marshes, golf courses and sailing clubs. King's Lynn and Norwich are both within reasonable driving distance and have direct main line rail links to London.

For a colourful and distinguished day out, a flutter at Fakenham Racecourse is a favourite among locals, or team up with your pals for a round at Fakenham Golf Club, set in and around the racecourse. Thursford is just four miles away with its magnificent collection of steam engines and organs – a visit to its Christmas spectacular gives a West End theatre excursion a run for its money.
