The property is situated in stunning parkland style grounds with a charming small lake providing a picturesque backdrop.

Upon entering the house, you are greeted by an impressive vaulted reception hall, exuding character with exposed beams and a striking fireplace featuring exposed brick and a wood burning stove. The abundance of natural light in the reception hall creates an inviting space for entertaining or unwinding.

The modern kitchen breakfast room is well-equipped for enthusiastic cooks, offering ample storage, workspace, and a cosy area for dining and conversations. For formal gatherings, the dining room provides an elegant setting, complete with a captivating inglenook fireplace featuring a wood burning stove. Additionally, the comfortable sitting room offers a delightful retreat with another charming inglenook fireplace and wood burning stove. Other amenities on the ground floor include a playroom, cloakroom, and utility room.

The first floor is a showcase of grandeur, boasting an impressive vaulted sitting room with a central fireplace and wood burning stove. The well-laid out bedrooms include a principal bedroom with a dressing room and a modern en-suite bath and shower room. Two more bedrooms and a modern, well-appointed family bathroom complete the first floor. The top floor houses two excellent attic bedrooms, one featuring another en-suite bathroom.

Although it is a grand property, there is not a room that doesn't fill you with warmth and comfort.

Extending across just over nine acres (STMS), the grounds feature sweeping lawns and magnificent specimen trees, creating a truly enchanting parkland ambiance.

The traditional outbuildings are versatile and have been used as well-equipped offices, featuring a kitchen and shower room. The outdoor covered seating area offers a perfect vantage point for enjoying the views of the garden and the lake. Moreover, there is a storage barn providing additional utility.

The picturesque lake enhances the allure of the property, offering a well-stocked environment for fish and wildlife.
