Conveniently located in the heart of North Holmwood, it's just a short walk from all the amenities the village has to offer.

The property welcomes you through an original front door into the entrance hallway, which provides access to all ground-floor rooms and the staircase to the first floor. The first reception room is a spacious, double-aspect room with bay window overlooking the garden with flexible usage options. The second reception, currently set up as a living room, features a charming fireplace, the unique feature of a covered well and two side window overlooking the front garden. Adjacent to this is the kitchen, equipped with a range of base and eye-level units, worktops, and space for appliances. There is also room for a table and chairs. A doorway leads to the utility room, which has a door to the garden, and a shower room with a toilet.

Upstairs, the landing provides access to all bedrooms, the family bathroom, and a loft hatch. This floor features three double bedrooms, two of which have charming fireplaces and built-in wardrobes. The family bathroom is generously sized and includes a white suite.

Outside

The garden is a standout feature of this property, wrapping around the home and fully enclosed by fencing. It's divided into two areas: a large patio bordered by mature hedging for added privacy, and an additional patio area perfect for alfresco dining. There is also a handy lean too located at the side of the garden, ideal for storing garden furniture and also outdoor toilet.

Parking

The property includes an area at the rear for parking one vehicle. Additionally, there is space in the garden that could be converted to create more off-street parking if desired.
