With a delightful blend of traditional character and modern interiors, 4 South View Cottage offers an idyllic quintessential village life. With a front elevation of brick and a rear adorned with brick and flint, this home boasts period charm whilst offering contemporary comforts.

Our vendors have enjoyed renovating their pretty cottage home. One of our clients is a carpenter by trade, hence the kitchen being handmade and a plethora of ideal storage which has been created both upstairs and down.

Upon entering, the sitting room welcomes you with a cosy ambiance and is centred around a wood burner, perfect for relaxing during the cooler months - a particular favourite spot for our vendors. The room's large proportions and thoughtful layout offers a perfect space to unwind. Flowing through to the modern kitchen, you'll find a well-appointed cooking space with plenty of light, ideal for preparing meals and enjoying time with family.

At the rear the conservatory, where watching the bird-life is another particular favourite pastime, retains an element of rustic charm with its exposed brick and flint walls, leading directly into the garden and creating a harmonious flow between indoor and outdoor living. The garden itself is a peaceful haven, with vibrant plants which provide a serene backdrop for relaxation.

Upstairs, the home continues to impress. The principal bedroom is spacious and enjoys dual built-in wardrobes, perfect for storage. A second bedroom offers flexibility as a guest room, nursery, or home office, while the modern bathroom features sleek white tiles, a generous hand basin, and an over-the-bath shower making for a lovely spot to unwind.

Beyond the main house, a well-designed outbuilding includes a workshop and an additional space – currently utilised as the perfect spot to enjoy the outdoors undercover.

With off-road parking, a five minute walk to The Crown in neighbouring East Rudham - or a drive to The Dabbling Duck in Great Massingham - and all of the thoughtful updates throughout, 4 South View Cottage captures the essence of cottage living whilst providing all the comforts of a modern home.

West Rudham

TWO LINES ABOUT THE LOCATION

West Rudham is a small village on the A148 between the market town of Fakenham and King's Lynn. The village has a junior school and The Dukes Head pub serving traditional ales. West Rudham is well located for the North Norfolk Coast with its miles of unspoilt coastline.

There are good secondary schools at Fakenham and King's Lynn. The north Norfolk coast is a short drive away.

Coast or country? If your heart is set on the gentle bustle of a market town, but within easy reach of the sea, Fakenham is top of the list. While sandy beaches are just ten miles away, the market town is perfectly positioned halfway between King's Lynn and Norwich with easy reach to Holt and Swaffham, making for an easy commute.

Out of working hours, there's plenty to keep you entertained including the thriving independent Central Cinema, a perennial favourite with locals. Enjoy a fun glass-blowing session with the kids at Langham Glass, reconnect with nature at Pensthorpe or blow the cobwebs with a walk at nearby Sculthorpe Moor.

For something fancier, dress up to the nines and enjoy a day out and a flutter at Fakenham Racecourse, or team up with your playing pals for a round at Fakenham Golf Club, set in and around the racecourse. And Thursford is just four miles away with its magnificent collection of steam engines and organs – a visit to its Christmas spectacular gives a West End theatre excursion a run for its money.
