Entering into the lobby area, it has quarry tile flooring with a door leading into the dining room. The dining room has a continuation of the quarry tile flooring with charming exposed beams with wooden double glazed sash windows to front with an opening leading to the kitchen and utility room with a door into the sitting room. The space is well-equipped with a range of cupboards and drawers, along with space and plumbing for a dishwasher. It includes a freestanding Belling range cooker with a five-ring electric hob, plus an additional four-ring Neff electric hob, all enhanced by matching wall-mounted cupboards. The kitchen benefits from dual-aspect lighting, with a wooden window to the side and a wooden double-glazed sash window at the front. A wooden door leads directly into the utility room. The quarry tile flooring extends into the utility room, which benefits from an understairs storage cupboard / pantry. The room is fitted with rolled-edge preparation surfaces, an inset stainless steel sink with an adjacent drainer, and a tiled splashback surround. There is appliance space and plumbing for a washing machine and other white goods, complemented by a Worcester oil-fired boiler. Wall-mounted cupboards provide additional storage, and there is a wooden stable door that opens to the side. A separate door leads to the guest cloakroom, which features a wash basin with a tiled splashback, and a low-level WC. Moving into the sitting room, it has solid oak flooring and charming exposed beams. The focal point of the room is a brick fireplace with an oak lintel and an inset log burner, perfect for cosy evenings. Doors lead off to the staircase, providing access to the first floor, and a separate door leads into the study/playroom. The study/playroom features tiled flooring, practical built-in storage cupboards, and French wooden doors that open out to the rear garden.

On the first-floor landing, doors lead to the bedrooms and bathroom, with the added benefit of a convenient space ideal for use as a study area. The master bedroom includes a feature cast iron fireplace with a tiled hearth and double-glazed wooden sash windows at the front. An opening leads to the dressing area, which offers built-in wardrobes and cupboards for storage. From here, you enter the ensuite, featuring a wash basin with a chrome mixer tap and tiled splashback, a low-level WC, and a shower unit with a rainfall shower head.
