Welcome to this spacious detached bungalow, perfectly situated in a rural location just outside the vibrant South Cheshire village of Malpas which boasts an excellent range of amenities, including shops, cafes, and restaurants and highly regarded primary and secondary schools. This delightful property offers a wonderful blend of rural tranquillity and convenient access to local amenities, making it an ideal home for families, professionals, or retirees seeking a peaceful lifestyle. With no upward chain, this property offers an exciting opportunity for a new owner to add their personal touch and really make it their own.

The great size accommodation includes an Entrance Porch with quarry tiled floor, Hallway featuring beautiful parquet wood flooring, bright and airy Lounge with a feature fireplace with an open grate, perfect for cozy evenings. Sliding doors seamlessly connect the Lounge to the attractive rear garden, allowing natural light to flood in and offering lovely views of the surrounding landscape. The cosy Sitting Room also features an open fireplace and leads to the well-appointed Kitchen. A useful Study study provides a perfect space for working from home and there is also a conveniently located Bathroom.

The bungalow features two spacious double bedrooms on the ground floor. The loft space was converted in 1985 which created a first floor consisting of two rooms which the owner had been utilising as bedrooms and a shower room, however building regulation approval was not obtained at that time, although planning permission was granted. We are advised by a qualified professional surveyor that the loft rooms are structurally safe and if fire doors were installed the rooms would meet current fire safety standards.

Outside, a large gravel driveway, adjoined by lawn, provides ample parking space for several vehicles. The generous rear garden is truly a standout feature, with far-reaching views of the surrounding countryside. This outdoor space includes a well-maintained lawn and a wide variety of mature shrubs and plants. There is also a raised paved seating area, ideal for alfresco dining or simply relaxing.
