Crediton

- Town location
- 2 bedrooms
- Open plan living/kitchen/dining
- Attractive building
- Long lease
- Council tax A and EPC E
- No chain

Close to the iconic Crediton parish church and ideally located for the town's amenities including schools, shops and public transport, is this attractive conversion of 4 flats. The building has kept much of its original design with large stone arches and notable bay windows. The property is brick construction with a slate roof. The conversion was carried out in the 2000's in conjunction with a larger new build development at the rear. Both are accessed via iron gates leading to an inner courtyard, off the road, and giving access to the buildings.

This flat has been let for a few years and has since been thoroughly decorated prior to marketing. With an overhaul of the kitchen and bathroom, complete redecoration and brand new carpets, it's now a light (the front faces south into the main living space) flat which is ready to move in to. There's an open plan living/kitchen to make the most of the space with one of the large bay windows looking out onto the front. There are 2 bedrooms at the back and a family bathroom with a bath and shower over. The flat is accessed via a communal entrance (serving 4 dwellings in total) and is on the first floor. There are mains services and heating is via electric radiators.

There is no parking or garden with this property but parking can be found locally on the street. Bus stops are seconds away for bus services to Exeter and the train station is approx a 10 minute walk.

Please see the floorplan for room sizes.
